

Please Toilet Freshner is a cleaner, disinfectant and sanitizer designed especially for use in maintaining the cleanliness of toilet areas in boats and recreation vehicles. It is effective on floors, walls, seats and bowl areas. When used as directed, it will deodorize areas which are prone to odors caused by growth of some microorganisms. Effective against Staphylococcus aureus and Salmonella choleraesuis at 2 ounces per gallon. Also effective against pathogenic fungi Trichophyton interdigitale at this use dilution.

**DIRECTIONS FOR USE**

Use at 2 ounces per gallon of water. This is enough for general disinfection, fungicidal activity and deodorizing. For heavy soil, a pre-cleaning step is recommended before using PLEASE TOILET FRESHNER. For best results, apply the dilute solution given above with cloth or mop to walls, floors, and other hard surfaces.
