BACK PANEL

Kills fleas and ticks, including the Deer Tick, which may carry Lyme Disease

**BEAUTIFIES
FRESHENS**

**READ ENTIRE LABEL BEFORE EACH USE.
USE ONLY ON DOGS (Cats) (Cats and Dog)**

Environmental Hazards: Do not apply directly to water.

DIRECTIONS FOR USE:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Do not use on puppies (kittens) under twelve weeks of age.

(Direction Statement # 1 - when product is packaged as a standard shampoo) Wet dog's (cat's) coat thoroughly with water. Rub shampoo into coat, starting with head. Work backward until coat is completely covered with foamy lather. Let lather stay on 5 minutes, then rinse and towel dry. Keep away from eyes. Repeat weekly (if necessary). (After shampooing the dog, avoid mats and tangles by using Hartz Protein Conditioner.)

(Direction Statement #2 - when product is packaged with a hose end sprayer)

- (1.) Make sure water control knob on hose sprayer is in the "OFF" position.
- (2.) Hold (the product) by handle and shake gently, turning bottle as you shake it.
- (3.) Attach hose to spray nozzle.
- (4.) Bend safety tab down and turn control to "WATER" position.

1/2

(5.) Slowly turn on the water supply to any appropriate flow rate and pre-dampen the entire dog (animal).

(6.) Turn the control knob to the "ON" position (shampoo will automatically begin to mix with the water).

(7.) Apply the shampoo starting with the head [be careful not to spray in the dog's (cat's)eye's] and work backwards until the coat is completely covered with shampoo.

(8.) Turn the sprayer to the "OFF" position and rub the shampoo into the coat with your hands so that a foamy lather is produced.

(9.) Turn the spray nozzle to the "WATER" position and thoroughly rinse the animal.

(10.) Turn the nozzle to the "OFF" position and disconnect from the hose for storage.

Consult a veterinarian before using this product on debilitated, aged, pregnant or nursing or medicated animals. Sensitivity may occur after using ANY pesticide product for pets. If signs of sensitivity occur bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.

Storage and Disposal:

If empty: Do not reuse this container. Place in trash or offer for recycling if available.

If partly filled: Call your solid waste agency or 1-800-CLEANUP for disposal instructions Never place unused product down any indoor or outdoor drain.
