FLEA TAG FOR DOGS

**X** Look for the Hartz logo on all Hartz products.

FLEA TAG FOR DOGS

**DIRECTIONS:** Clip Flea Tag to dog's collar. Flea kill begins at once and will continue for 4 months while Flea Tag is worn. Ticks are harder to kill, but those in the neck area only will be killed for a short period after Flea Tag is attached. For continuous protection, replace Flea Tag every 4 months.

**CAUTION:** Do not open protective pouch until ready to use. Do not allow children to play with Flea Tag. Flea Tag is intended for use only as an insecticide generator and is not to be taken internally by man or animals. Do not use on sick or convalescing dogs. Do not use on cats, wildcats, or greyhounds. Do not use other pesticides on dogs while Flea Tag is worn. Remove Flea Tag if any adverse reactions are observed. Store in original pouch and keep out of children's reach.
