**ACCEPTED**

09 JUL 1996

Under the Federal Insecticide,  
Fungicide, and Rodenticide Act,  
this compound, for the pesticide  
registered under  
EPA Reg. No. 2596-49

RM123787

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent  
with its labeling.

**REMOVE COLLAR**  
FROM PACKAGE, UNROLL AND STRETCH TO ACTIVATE, AS THE COLLAR  
BEGINS TO WORK A FINE WHITE POWDER WILL APPEAR ON THE SURFACE

It is not advisable to use this collar or similar pesticides on kittens less than 6  
weeks of age. Do not unroll collar until ready to use. Place the Longlife 90 Day  
Brand™ collar around the cat's neck, adjust for proper fit, and buckle in  
place. The collar must be worn loosely to allow for growth of the cat and to  
permit the collar to move about the neck. Generally, a properly fitted collar is  
one that when fastened will snugly slide over the cat's head. Leave 2 or 3 in-  
ches on the collar for extra adjustment and cut off and dispose of the extra  
length. Some animals may become irritated by any collar if it is applied too  
tightly. If this occurs loosen the collar. If irritation continues, remove the col-  
lar from the animal. This collar is intended for use only as an insecticide  
preventer.

For continuous flea protection under normal conditions, replace the collar,  
every 3 months. Under conditions where cats are exposed to severe flea in-  
festations it may be necessary to replace the collar every 2 months. Ticks may  
be an occasional problem for cats. The collar will kill ticks, including the Deer  
Tick, which may carry Lyme Disease, for 60 days and continue to aid in their  
control an additional 30 days. The cat should be examined from time to time  
and the collar replaced when mature tick or flea populations begin to appear.  
Wetting will not impair the collar's effectiveness or pet's protection. If the cat  
is out in the rain it is not necessary to remove the collar. The Longlife 90 Day  
Brand collar may be worn with a regular  
collar.

**DISPOSAL**—Do not use empty pouch.  
Dispose in trash collection.
