Your Submissions Dated February 23, July 21, and August 9, 1989

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable. Stamped copies are enclosed for your records.

Based on current Confidential Statement of Formulas (CSF), your product will not meet the label claim for the active ingredient. Please revise the CSF's so that the information agrees. Note that lower limits of active ingredient must equal label claims in pure active form.

Sincerely,

George T. LaRocca
Product Manager 15
Insecticide-Rodenticide Branch
Registration Division (H7505C)

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling

REMOVE COLLAR FROM PACKAGE, UNSTRETCH TO ACTIVATE INSECTICIDE

Do not unroll collar until ready to use. Place the Hartz collar around the cat's neck, adjust for proper fit, and collar must be worn loosely to allow for growth of the collar to move about the neck. Generally, a properly fit when fastened, will snugly slide over the cat's head. Leave collar for extra adjustment and cut off and dispose of the animals may become irritated by any collar if it is applied. If irritation occurs, loosen the collar. If irritation continues, remove animal. This collar is intended for use only as an insecticide. For continuous flea protection under normal conditions every 5 months. Under conditions where cats are exposed to fleas it may be necessary to replace the collar even though which may be an occasional problem for cats, are hard to full protection against ticks will be built up within a month of being placed on the animal. The 2 in 1 collar will kill ticks for normal conditions. The cat should be examined from time to time and replaced when mature tick or flea populations begin to appear. Do not impair the collar's effectiveness or pet's protection. If rain it is not necessary to remove the collar. The Hartz collar worn with a regular collar.

DISPOSAL—Do not use empty pouch. Dispose in trash collection.
