### PRECAUTIONARY STATEMENTS

Hazards to Humans & Domestic Animals

**CAUTION:** Wash hands and exposed skin after use. Avoid contact with eyes. In case of contact, flush with water. If irritation persists seek medical attention.

### DIRECTIONS

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

To kill fleas, ticks and lice, and to reduce itching and scratching due to insect bites, dust entire dog beginning at head and working back. Make sure that the powder gets down to the skin. Take care to treat feet and legs. Dust dog's bedding and living quarters. Repeat at weekly intervals if necessary.

To control Sarcoptic Mange - a problem often encountered by dogs. Lesions which form are usually characterized by loss of hair, redness and possible open sores. Hartz 2 in 1 Flea and Tick Powder will kill the mite which causes this problem. To treat the dog, apply the powder as directed above making sure that all sores and lesions are covered. Repeat application weekly for at least 3 treatments. More advanced lesions may require further weekly treatments. The area will begin to heal immediately but complete healing, including hair growth, may take several weeks. If irritation persists, consult your veterinarian.

**Disposal:** Do not re-use empty container. Wrap container and put in trash collection.
