THE HARTZ MOUNTAIN CORPORATION

Subject: Labeling Notification per Pesticide Registration Notice (PRN) 98-10 - Addition of Optional Graphics
Product Name: HARTZ 2 IN 1 PLUS SEVEN MONTH COLLAR FOR CATS
Admin Number: 2596-83
EPA Receipt Date: 02/25/2025
Action Case Number: 00645742

Dear Anna McGrath:

The U.S. Environmental Protection Agency is in receipt of your application for notification under Pesticide Registration Notice 98-10 for the above referenced product. The EPA has conducted a review of this request for its applicability under PRN 98-10 and finds that the action requested falls within the scope of PRN 98-10.

The labeling submitted with this application has been stamped "Notification" and will be placed in our records.

Should you wish to add/retain a reference to your company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide, Fungicide, and Rodenticide Act and is subject to review by the EPA. If the website is false or misleading, the product will be considered to be misbranded and sale or distribution of the product is unlawful under FIFRA section 12(a)(1)(E). 40 CFR § 156.10(a)(5) lists examples of statements the EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the EPA find or if it is brought to our attention that a website contains statements or claims substantially differing from statements or claims made in connection with obtaining a FIFRA section 3 registration, the website will be referred to the EPA's Office of Enforcement and Compliance Assurance.

If you have questions, please contact David Gardner via email at gardner.david@epa.gov.

Sincerely,

David Gardner, Entomologist
IVB 2, RD
Office of Pesticide Programs

NOTIFICATION

2596-83

The applicant has certified that no changes, other than those reported to the Agency have been made to the labeling. The Agency acknowledges this notification by letter dated:

04/07/2025

Hartz® 2 in 1® Plus Seven Month Collar for Cats

{Note to Reviewer: Alternate Brand Names are listed at the end of this document.}

ACTIVE INGREDIENT:

Tetrachlorvinphos 14.55%

OTHER INGREDIENTS 85.45%

TOTAL 100.00%

CAUTION: Do not let children play with this collar.
See [side] [back] panel[s] for additional precautionary statements.

NET CONTENT(S): 1 {white} [pink] [orange] [blue] [yellow] [purple] [red] [grey] [hunter green] [green] [black] [silver] [gold] [reflecting] [reflective] COLLAR {Note to Reviewer: Length can range from 11 to 15 inches. Net Weight 0.34 to 0.47oz [9.68g to 13.2g].}

EPA Reg. No. 2596-83
EPA Est. No. 2596-OH-1

Made [in the U.S.A.] by The Hartz Mountain Corporation 400200 Plaza Drive Secaucus, NJ 07094 (U.S.A.)

READ ENTIRE LABEL BEFORE EACH USE. USE ONLY ON CATS.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Harmful if swallowed or absorbed through skin. Causes moderate eye irritation. Avoid contact with eyes, skin, or clothing. Wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.

{Note to reviewer: text in braces {} is for informational purposes and will not appear on the label. Text in brackets [] is optional or alternate text, and may or may not appear on the end use label. Text in parentheses () will appear on the end use label.}

FIRST AID

If swallowed: Call a Poison Control Center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a Poison Control Center or doctor. Do not give anything by mouth to an unconscious person.

If On Skin Or Clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a Poison Control Center or doctor for treatment advice.

If In Eyes: Hold eye open and rinse slowly and gently with water for 15 – 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a Poison Control Center or doctor for treatment advice.

Have the product container or label with you when calling a Poison Control Center or doctor, or going for treatment. For additional information on this pesticide product (including health concerns, medical emergencies or pesticide incidents), you may call 1-800-275-1414 [1-800-234-22690 [1-800-781-4738] twenty-four (24) hours per day, seven (7) days per week.

Note to Physicians and Veterinarians: This product contains tetrachlorvinphos (an organophosphate) which is a cholinesterase inhibitor. Cholinergic symptoms may include salivation, miosis, incoordination, muscle fasciculation and/or weakness, vomiting and diarrhea. Atropine is antidotal. 2-PAM may be effective as an adjunct to atropine. Call 1-800-275-1414 [1-800-234-22690] [1-800-781-4738] or your local Poison Control Center for further information.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.
REMOVE COLLAR FROM PACKAGE UNROLL AND STRETCH TO ACTIVATE INSECTICIDE.

Do not use on kittens under 12 weeks of age and weighting less than 5lbs. Do not unroll collar until ready to use.

Place the collar around the cat's neck, adjust for proper fit, and buckle in place. The collar must be worn loosely to allow for growth of the cat and to permit the collar to move about the neck. A properly fitted collar is one that, when fastened, will snugly slide over the cat's head. Leave 2 or 3 inches on the collar for extra adjustment and cut off and dispose of the extra length.

Consult a veterinarian before using this product on debilitated, aged, medicated, pregnant or nursing animals. Sensitivity may occur after using ANY pesticide product for pets. Some animals may become irritated by any collar if it is applied too tightly. If this occurs, loosen the collar. If irritation continues, remove the collar from the cat. If signs of sensitivity occur, remove the collar and bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately. Do not use this product on cats simultaneously or within 30 days before or after treatment with or exposure to cholinesterase inhibiting drugs, pesticides, or chemicals. However, flea and tick collars may be immediately replaced.

{Note to reviewer: text in braces {} is for informational purposes and will not appear on the label. Text in brackets [] is optional or alternate text, and may or may not appear on the end use label. Text in parentheses () will appear on the end use label.}

This collar is intended for use only as an insecticide.

The collar will begin to kill fleas and ticks immediately. For continuous flea and tick protection under normal conditions replace the collar every seven months. The collar kills ticks for 5 months and aids in their control an additional 2 months. Under conditions where cats are exposed to severe flea and tick infestations it may be necessary to replace the collar more frequently; however, do not replace the collar more frequently than every 5 months. Wetting will not impair the collar's effectiveness or the pet's protection. If the cat is out in the rain it is not necessary to remove the collar. The collar may be worn with a regular collar. It is recommended that the pet's bedding or sleeping quarters be treated for flea and tick control with a product registered for this use such as Hartz UltraGuard Flea & Tick Home Spray.

ALTERNATE DIRECTIONS FOR USE with Decorative Collars [with ~~(mesh)~~ ~~(net)~~ ~~(screen)~~ ~~(web)~~ underside].

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

REMOVE [INSERT COLLAR][COLLAR] FROM PACKAGE. Unroll and stretch to activate insecticide.

Do not use on kittens under 12 weeks old and weighing less than 5lbs. Do not unroll collar until ready to use. Place the ~~(collar)~~ around the ~~(cat's)~~ [kitten's] [cat's or kitten's] neck, adjust for proper fit, and buckle in place. The collar must be worn loosely to allow for growth of the cat and to permit the collar to move ~~(around)~~ [about] the neck. A properly fitted collar is one that, when fastened, will snugly slide over the pet's head. Leave 2 or 3 inches on the collar for extra adjustment and cut off and dispose of the extra length.

The collar is intended for use only as an insecticide.

The collar will begin to kill fleas, ticks and flea eggs and larvae immediately. Its full protection against harder to kill ticks will be built up within a few days after being placed on the pet. For continuous [flea and tick] protection under normal conditions replace the collar every seven [7], six [6], five [5] months. Under conditions where pets are exposed to severe flea and tick infestations, it may be necessary to replace the collar more frequently. Do not replace collar earlier than five [5] months.

Wetting will not impair the collar's effectiveness or the pet's protection. If the pet goes swimming or is out in the rain it is not necessary to remove the collar. The collar may be worn with a regular collar.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage and disposal.

Pesticide Storage: Keep this product in its tightly closed original container, when not in use. Store in a cool, dry (preferably locked) area that is inaccessible to children and animals.

Pesticide Disposal: **If empty:** Non-refillable container. Do not reuse or refill this container. Offer for recycling if available. **If partly filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

For more information [about flea and tick problems] [and how to solve them], call our experts at 1-800-275-1414 [-1800-234-2269] [1-800-781-4738] [weekdays, 9am-5pm] [[E.S.T.]

*{Note to reviewer: text in braces {} is for informational purposes and will not appear on the label. Text in brackets [] is optional **or alternate text** and may or may not appear on the end use label. Text in parentheses () will appear on the end use label.}*

NOTICE: This product contains a chemical known to the State of California to cause cancer.
