Dear Sir or Madam:

SUBJECT: Notification to delete redundant (outdated) Storage & Disposal
Statement from Label bearing **both** old and new (PR Notice 2001-6)
Storage and Disposal Statements
EPA Reg. No. 2596-86
Hartz 2 in 1 Flea & Tick Dip for Dogs and Cats

The Hartz Mountain Corporation identified a typographical error in an EPA-approved label and wishes to file a correction. The most recent, stamped label is attached; this shows the **deletion** of a Storage and Disposal statement. This statement should have been deleted when the correct 2001-6 compliant statement was added. **The correct 2001-6 Storage and Disposal Statement also appears on the same label.**

The new label also reflects the correction of one typo, "Humans and" has replaced the typographical error, "Human sand". This change has been highlighted on the September 16, 2003, copy. Per EPA's request, "HealthCare" has been replaced by "Advanced Care" (per a October 16, 2003 approval from Marion Johnson, Insecticides Branch). No other changes have been made to the new label.

If you have questions regarding this notification, please call me at 201-271-4800, x7437.

Sincerely yours,

Judy A. Smith, Ph.D.
Director, Government Relations
