OCT 18 1984

TERM OF ISSUANCE

NAME OF PESTICIDE PRODUCT

NOTICE OF PESTICIDE: REGISTRATION
 REREГИSTRATION

*Under the Federal Insecticide, Fungicide,
and Rodenticide Act, as amended.*

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an endorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

Back Panel

Hartz^R 2 in 1^R Rid FleaTM Shampoo Concentrate for Dogs is a specially formulated gel shampoo with superior conditioning action which kills fleas, ticks and lice while it leaves your pet's coat soft and lustrous. It is pH balanced for mildness and, in addition to natural pyrethrin insecticides, it contains protein and lanolin to help repair damaged fur. Rid Flea is concentrated, easy to use and won't spill. It cleans thoroughly, controls flea, tick and lice infestations for up to 7 days, and leaves your dog's coat clean, bright, fresh smelling, and easy to comb when wet or dry.

DIRECTIONS

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Wet dog thoroughly. Place a small quantity of shampoo in your hand. Rub into fur to produce a luxurious lather. Rid Flea is concentrated - a little goes a long way! Pay special attention to matted or tangled areas. Rinse thoroughly. Repeat. Towel or blow dry coat. Comb and brush coat for shiny highlights.

Do not reuse empty container. Wrap and put in trash.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION: Wash hands after use. Avoid contact with eyes. In case of contact, flush eyes with plenty of water. If irritation persists, get medical attention.
