NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA section 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data.
2. Add the phrase "EPA Registration No. 2596-111 to your label before you release the product for shipment.
3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 Enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

10 g

Keep Out of Reach of Children  
CAUTION: See back panel for additional precautions.

Hartz Spot Flea & Tick Remover

Back Panel

- Kills fleas, ticks and lice
- Deodorizes

DIRECTIONS FOR USE:

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Remove cap and invert tube. To kill attached ticks, merely touch the tip of the applicator to the tick, making sure that a small amount of product wets the tick. After a short time the tick will release and may be easily removed. Do not pull out until the tick releases. Unattached ticks and fleas will also be killed quickly if touched with the applicator.

For general flea and tick control, run tip of applicator along the hair, pressing down to skin if possible. Apply around the neck of the animal, down the back and the belly, at the base of the tail and around the ears. Repeat treatment as necessary.

STORAGE AND DISPOSAL

Do not contaminate food or water by storage or disposal. Do not reuse empty container. Wrap container and put in trash collection.

PRECAUTIONARY STATEMENTS

Hazards to Humans & Domestic Animals

**CAUTION:** Do not use near birds, fish or foodstuffs. Do not get in eyes of animals. Do not use on puppies or kittens under 6 weeks old. Wash hands thoroughly after use and removal of parasites.

Physical or Chemical Hazards

Do not use or store near heat or open flame.
