Dear Sir or Madam:

SUBJECT: Notification to correct minor typographical errors per PR Notice 98-10
EPA Reg. No. 2596-124
Hartz® 2 in 1™ Rid Flea Shampoo for Dogs and Cats

The Hartz Mountain Corporation has identified typographical errors in a September 1, 2003, notification and wishes to file a corrected version of the product label via notification. The most recent, stamped EPA label is attached (approval date of May 7, 2003); this shows the "Directions for Use" header, the phrase "If empty", and the correct "800" number. The notification that was filed on September 1, 2003, omitted these items and showed "899" rather than "800" in a telephone number. The spelling of "fleas" was corrected. The corrected version of 2596-124 label is enclosed as well as an annotated label with corrections highlighted.

If you have questions regarding this notification, please call me at 201-271-4800, x7437.

Sincerely yours,

Judy A. Smith, Ph.D.
Director, Government Relations
