# HARTZ® TECHNICAL RABON®

## INSECTICIDE

### For Formulation Use Only

#### ACTIVE INGREDIENT:

Tetrachlorvinphos .....	98.7%
Other Ingredients .....	1.3%
<b>Total</b>	<b>100.0%</b>

#### KEEP OUT OF REACH OF CHILDREN

#### CAUTION

#### FIRST AID

- **IF SWALLOWED** - Call a Poison Control Center or Doctor immediately for treatment advice. Have a person sip a glass of water to swallow. Do not induce vomiting unless told to do so by a Poison Control Center or Doctor. Do not give anything by mouth to an unconscious person.
- **IF IN EYES** - Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a Poison Control Center or doctor for treatment advice.
- **IF ON SKIN OR CLOTHING** - Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a Poison Control Center or doctor for treatment advice.
- **IF INHALED** - Move person to fresh air. If person not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth, if possible. Call a poison control center or doctor for treatment advice.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. For additional information on this product (including medical emergencies or pesticide incidents), you may call 1-800-275-1414, twenty-four (24) hours per day, seven (7) days per week.

#### NOTE TO PHYSICIAN:

This product contains tetrachlorvinphos (an organophosphate), which is a cholinesterase inhibitor. Cholinergic symptoms may include salivation, miosis, incoordination, muscle fasciculation and/or weakness, vomiting and diarrhea. Atropine is antidotal. 2-PAM may be effective as an adjunct to atropine. Call 1-800-275-1414 or your local Poison Control Center for further information.

#### PRECAUTIONARY STATEMENTS

#### HAZARDS TO HUMANS

**CAUTION:** Harmful if swallowed, inhaled, or absorbed through skin. Causes moderate eye irritation. This product may cause skin sensitization reactions in certain individuals. Prolonged or frequently repeated skin contact may cause allergic reaction in some individuals. Remove and wash contaminated clothing before use. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet. Wear chemical - resistant gloves and chemical - resistant footwear plus socks.

#### ENVIRONMENTAL HAZARDS

This pesticide is highly toxic to fish. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System [NPDES] permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For Guidance contact your State Water Board or the Regional Office of the EPA

#### DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Only for formulation into an insecticide for the following uses: [1] Domestic indoor use, [2] uses for which EPA has accepted the required data and/or citations of data that the formulator has submitted in support of registration; and [3] uses for experimental purposes that are in compliance with US EPA requirements. Formulators using this product are responsible for obtaining EPA registration of their formulated product.

#### Personal Protective Equipment [PPE]:

When mixing/loading or otherwise handling, wear coveralls over long sleeve shirt and long pants, chemical - resistant gloves, chemical - resistant footwear plus socks.

#### User Safety Requirements:

Follow manufacturer's instructions for cleaning/maintaining PPE. If no such instructions for washables exist, use detergent and hot water. Keep and wash PPE separately from other laundry.

#### User Safety Recommendations:

Users should wash hands before eating, drinking, chewing gum, using tobacco, or using the toilet. Users should remove clothing/PPE if pesticide gets inside, then wash thoroughly and put on clean clothing. Users should remove PPE immediately after handling this product. Wash outside of gloves before removing. As soon as possible, wash thoroughly and change into clean clothing.

#### STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

**Pesticide Storage:** Keep this product in its tightly closed original container, when not in use. Store in a cool, dry, preferable locked area that is in accessible to children and pets.

**Pesticide Disposal:** Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

**Container Handling:** Nonrefillable container. Do not reuse or refill this container. Completely empty liner by shaking/tapping sides and bottom to loosen clinging particles. Empty any remaining residue into application equipment. Offer for recycling if available or reconditioning if appropriate, or dispose of in a sanitary landfill or by other procedures approved by State and local authorities.
