* Equivalent to 0.8% (butylcarbityl) (6-propylpiperonyl) ether and 0.2% related compounds

Keep out of reach of children

CAUTION: See back panel for additional precautionary statements

Net Wt. 16 fl oz 453 g

NOTIFICATION

NOV 19 1998

BACK PANEL

Hartz 2 in 1 Rid Flea Carpet Powder

- Kills fleas, ticks, lice and ants that live and breed in carpets.
- For use in homes, basements, pet sleeping quarters and storage areas
- May also be used on cats and dogs for rapid control of fleas and ticks
- Easy to use: Sprinkle, brush, wait 60 minutes and vacuum
- 400 sq. ft. coverage

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. **Directions:** Shake well before using. Punch plastic seal. For use on carpets*, hold upside down and shake powder to penetrate carpet fibers. Wait 60 minutes, then vacuum. (Use new vacuum cleaner bag.) For severe problems or where ticks are known to be hiding, wait 2-3 hours before vacuuming. If powder adheres to a spot, brush it out and vacuum immediately. Apply to dry surfaces only. Do not allow powder to become wet. Remove bag from vacuum cleaner. Wrap securely in several layers of newspaper and discard in trash. To prevent a second generation from flea eggs in the carpet, repeat treatment in 7 days.

*Test on hidden surface of carpet before using. If texture or color is effected, do not use. Clean carpets **after** using Rid Flea Carpet Powder. Keep children and pets off carpets during treatment and until area is vacuumed.

FLEA CONTROL FOR CATS & DOGS

Read entire label before each use. Use only on dogs and cats. Punch plastic seal. Hold can upside down and sprinkle powder over animal's back, head to tail, around the neck and ears, the underbelly, the legs, the base of the tail and where fleas are seen, keeping out of pet's eyes and face. Rub in against the lay of the hair until powder penetrates to skin. Repeat once weekly if necessary. It is not advisable to use this or similar pesticides on puppies or kittens under 12 weeks of age. Consult a veterinarian before using this product on debilitated, aged, pregnant or nursing or medicated animals. Sensitivity may occur after using ANY pesticide product for pets. If signs of sensitivity occur bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately. Wash hands thoroughly after use.

NOTE: Apply to your pet while outdoors or in a well ventilated area to avoid breathing airborne dust. Pets may be bathed and groomed several hours after treatment to remove dead fleas, ticks and lice.

FOR PET LIVING QUARTERS

Rid Flea Carpet Powder kills fleas, ticks and lice on contact. Treat pet bedding and sleeping quarters liberally using 15 to 20 "sprinkles" (approximately 1 ounce) over a 50 sq. ft. area. Allow dust to remain for 3 to 4 hours and then, vacuum or sweep-up and discard as instructed under Storage and Disposal. To prevent second generation from flea eggs repeat treatment in 5 to 7 days or as needed.

STORAGE AND DISPOSAL

Storage: Do not contaminate water, food, or feed by storage or disposal. Store in a cool dry place out of reach of children.

Disposal: Do not reuse this container. Securely wrap in several layers of newspaper before discarding in trash.

PRECAUTIONARY STATEMENTS: Hazards To Humans And Domestic Animals:

CAUTION: Harmful if swallowed. Avoid breathing of dust and contact with eyes, skin or clothing. Wash thoroughly with soap and warm water after handling and before eating or smoking. Flush eyes with plenty of water. If irritation persists get medical attention. Do not contaminate food, water or feed. Do not use in food serving areas while food is exposed. Food processing surfaces and utensils should be covered or thoroughly washed after treatment. Cover aquariums before use.

ENVIRONMENTAL HAZARDS: Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label.

FIRST AID: If Swallowed: Call a physician or Poison Control Center immediately. Induce vomiting by giving victim 1 or 2 glasses of water and touching back of throat with finger. Never give anything by mouth to an unconscious person. **If in Eyes:** Flush eyes with plenty of water. Get medical attention if irritation persists. **If on Skin:** Wash with soap and warm water.

Filled by weight, not by volume. Some settling may occur.
