Subject: Notice of Extension of Conditional Registrations until April 16, 2021

Dear Mr. Conti:

This letter is in reference to your request dated September 4, 2018 to extend the following conditional time-limited registrations:

HARTZ REFERENCE # 130	EPA Reg. No. 2596-165	Decision 544481
HARTZ REFERENCE # 131	EPA Reg. No. 2596-166	Decision 544482

The above-referenced registrations contain conditions as stated in the initial registration notice dated 7/9/2012. In addition to the time-limited registration, your company is required to adhere to the spot-on label mitigation, submit quarterly enhanced incident reports and quarterly sales information for each of the above registrations.

The Agency has found Hartz in compliance with the terms and conditions for the subject products. Therefore, the following change is being made to the terms and conditions of the products listed above: **The 2-year time-limited registration restriction has been extended an additional two (2) years. Therefore, the new expiration date for the subject product registrations is now April 16, 2021.**

Please note that these products are still subject to all other previous required conditions of registration. If you have any questions, please contact Dr. Breeden-Alemi at breeden-alemi.julie@epa.gov or (703) 347-0511.

Sincerely,

A handwritten signature in black ink, appearing to read "Elizabeth Fertich".
