Joe Conti  
The Hartz Mountain Corporation  
400 Plaza Drive  
Secaucus, New Jersey 0709  
Subject: Label Notification per PRN 2007-4 – Updating First Aid Box and Storage and Disposal box  
Product Name: Hartz Reference #136  
EPA Registration Number: 2596-170  
Application Date: 2/7/2019  
Decision Number: 549496

Dear Mr Conti:

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 2007-4 for the above referenced product. The Registration Division (RD) has conducted a review of this request for its applicability under PRN 2007-4 and finds that the action requested falls within the scope of PRN-2007-4.

The label submitted with the application has been stamped “Notification” and will be placed in our records.

Please be reminded that 40 CFR Part 156.140(a)(4) requires that a batch code, lot number, or other code identifying the batch of the pesticide distributed and sold be placed on non-refillable containers. The code may appear either on the label (and can be added by non-notification via PR Notice 98-10) or durably marked on the container itself.

If you have any questions, please contact Autumn Metzger at 703-305-5314 or Metzger.autumn@epa.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "Beth Fertich", followed by the word "for" written in a cursive script.

Beth Fertich, Product Manager 04  
Invertebrate & Vertebrate Branch 1  
Registration Division (7505P)  
Office of Pesticide Programs

**NOTIFICATION**

2596-170

The applicant has certified that no changes, other than those reported to the Agency have been made to the labeling. The Agency acknowledges this notification by letter dated:

See Directions for Use for additional precautions and requirements.

### FIRST AID

**If on skin or clothing** •Take off contaminated clothing. •Rinse skin immediately with plenty of water for 15-20 minutes. •Call a poison control center or doctor for treatment advice.

**If in eyes** •Hold eye open and rinse slowly and gently with water for 15-20 minutes. •Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. •Call a poison control center or doctor for treatment advice.

**If swallowed** •Call poison control center or doctor immediately for treatment advice. •Have person sip a glass of water if able to swallow. •Do not induce vomiting unless told to do so by the poison control center or doctor. •Do not give anything by mouth to an unconscious person.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. For additional information on this pesticide product (including health concerns, medical emergencies or pesticide incidents), you may call 1-800-275-1414 twenty-four (24) hours per day, seven (7) days per week.

### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

### USE RESTRICTIONS

Apply this product only as specified on this label.

Do not contaminate food or feedstuffs.

This product is for indoor use only.

**DO NOT APPLY THIS PRODUCT DIRECTLY TO PETS OR HUMANS**

Except when applying as a directed spray to kill fleas and Brown Dog ticks, do not allow adults, children, or pets to enter the treated area until sprays have dried.

Except when applying as a directed spray to kill fleas and Brown Dog ticks, do not apply this product in a way that will contact adults, children or pets, either directly or through drift.

Do not apply directly into sewers or drains, or to any area like a gutter where drainage to sewers, storm drains, water bodies, or aquatic habitat can occur.

Do not allow this product to enter any drain before or after application

Remove pets, birds and cover fish aquariums before spraying.

*{Note: Optional/ Alternate Text in (Parenthesis) or [Brackets], Text in {Braces} indicate indicate Notes to Reviewer and do not appear on final marketplace label; Highlighted text indicates revisions from previous approved Label.}*

**SHAKE WELL BEFORE USING.**

**READ ENTIRE LABEL BEFORE EACH USE**

Hartz UltraGuard Plus Flea & Tick Home Spray (alternate brand name) can be used in homes, garages, attics, apartments, and hotels to kill fleas and Brown Dog ticks. One bottle will treat a surface area up to [360] [500] square feet. A fine spray applied uniformly is all that is necessary to kill fleas. Avoid wetting furniture and carpeting. Remove birds and cover aquariums before spraying.

For maximum effectiveness treat entire carpeted area. Treat carpets, rugs, drapes and all surfaces of upholstered furniture. Pet bedding should be allowed to dry completely before pets return to their bedding area. Leave treated areas and do not return for least one hour. Retreat as necessary. Avoid contamination of food and food stuffs. To kill Brown Dog ticks in the environment, spray product directly on pests.

**STORAGE AND DISPOSAL:**

Do not contaminate water, food, or feed by storage or disposal. Do not use or store near heat or open flame.

**Pesticide Storage:** Keep this product in its tightly closed original container, when not in use. Store in a cool, dry [preferably locked] area that is inaccessible to children and animals. ~~Store in a cool, dry place that is inaccessible to children.~~

**Pesticide Disposal:** Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

**Container Disposal: If empty:** Nonrefillable container. Do not reuse or refill this container. Offer for recycling, if available. **If partly filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

[For more information (about flea and Brown Dog tick problems and how to solve them) (or in an emergency) call (our (flea and Brown Dog tick) experts at) 1-800-275-1414 weekdays, 9am-5pm (E.S.T.) (Eastern Time)]
