Manufactured by Michel & Pelton Co., Emeryville, California For

**EUREKA FLUID WORKS**

1556-58 15th St.

San Francisco, California, 94103

CONTENTS: 1 GALLON

A combination of powerful disinfectant chemicals widely used and known for years as a prompt and dependable germicide and deodorizer in cases of death by drowning, burning, cancer, erysipelas, etc. Indispensable in all public morgues. All mutilated and accident cases. Intestinal discharges.

CRIOSINE is not an Embalming Fluid. It is for specific purposes as indicated elsewhere on this label, and has no equal in their treatment. Criosine full strength will remove putrefactive green spots and stop skin slip, drying and hardening the surface. Do not get Criosine on lips or face of body, and do not mix in metal vessels. Remove bad odors from mouth and other orifices with a swab and Criosine full strength. Dries and hardens dropsical blisters and skin slip.

**WARNING!**

USE RUBBER GLOVES WHEN HANDLING.

DO NOT HANDLE THE CONCENTRATE NEAR OPEN FLAME.

MAY BE FATAL IF SWALLOWED OR ABSORBED THROUGH SKIN. MAY PRODUCE SEVERE BURNS. DO NOT GET IN EYES, ON HAIR, OR ON CLOTHING. WASH THOROUGHLY AFTER HANDLING.

DO NOT REUSE CONTAINER. DESTROY WHEN EMPTY.
