LEFT PANEL

C-Z Pine Type Disinfectant is a versatile, fast acting disinfectant for use in general cleaning areas such as, schools, taverns, recreation areas, hotels, motels, restrooms, lavatories, toilet bowls and urinals, stock rooms, etc.

C-Z Pine Type Disinfectant may also be used to clean mopping equipment, garbage cans and storage areas. C-Z Pine Type Disinfectant gives immediate attention to the removal of most obnoxious odors and leaves a clean, fresh natural pine scent.

RIGHT PANEL

For cleaning and disinfecting non-porous surfaces, walls or floors, use 2 oz. C-Z Pine Type Disinfectant to 1 gallon of water.

For general deodorizing use 1 oz. C-Z Pine Type Disinfectant to 1 gallon of water.

Do not mix with other cleaners or disinfectants when using. Apply with a mop, sponge or brush.

CAUTION: Harmful if swallowed. Do not allow full strength C-Z Pine Type Disinfectant to contact skin or eyes. In case of contact, flush with plenty of water. If eye irritation persists, contact physician. Avoid contamination of food.
