	100.000%	

*sulfoxide

CAUTION:

Keep out of reach of children.
 Harmful if swallowed. Use this product
 as a space spray in food processing plants
 only when plant is not in operation. Foods
 should be removed or covered during treat-
 ment. All food processing surfaces should
 be covered or thoroughly cleaned before
 using. Do not use or store near open
 flame.

DIRECTIONS FOR USE

Use as a space spray. Can be used in any type of hand or power
 sprayer which will deliver a fine mist.

For Flies, Mosquitoes, Wasps, Gnats, and Small Flying Moths: Close
 all doors and windows. Point sprayer nozzle upward, direct the spray
 toward all parts of the room, especially windows and other light
 areas which attract these insects. For best results keep nozzle in
 room while treating and fill room with mist. Keep room closed at
 least 15 minutes after each treatment. Repeat as necessary.
