*Chemical Research Products*

**NORFOLK • VIRGINIA**

**ARATOL FOR IMMEDIATE AND LONG LASTING CONTROL OF  
ROACHES, ANTS, WATERBUGS — NON STAINING —  
PLEASANTLY SCENTED —**

## CAUTION

This solution can cause toxic symptoms if brought into contact with the skin. In case of spillage, wash immediately with soap and water. Avoid inhalation, skin contact, and contamination of food stuffs. Do not use near an open flame. Do not allow children in treated areas until surfaces are dry. Harmful if swallowed, inhaled or absorbed through the skin. Wash thoroughly with soap and water after handling and before eating or smoking. Remove children and pets and cover fish bowls before spraying.

## DIRECTIONS

**FOR SPOT APPLICATION ONLY**

**ANTS, ROACHES, WATERBUGS** — Apply directly to areas frequented by these insects, particularly wall cavities, baseboards, under sinks and behind pipes. Spray behind cabinets, stoves, refrigerators, and counters. Repeat application to maintain effective residue.
