

DIRECTIONS

DISINFECTING: To kill gram negative odor causing bacteria on hard, non-porous surfaces such as plastic laminate countertops, sink, basin, toilet, tiles, vinyl floor, & dog crates: pre-clean heavily soiled surfaces first, then using a cloth, sponge or mop, apply a solution of 1/4 cup of OCEAN PINE OIL per gallon of water. Allow cleaner to stand on thoroughly wetted surface for 10 minutes. Rinse with clean water to remove excess & allow to air dry. Discard solution when it becomes heavily soiled. Prepare fresh solution for each use.

PRECAUTIONARY STATEMENTS: Hazards to humans & domestic animals: Harmful if swallowed. Do not get in eyes. May cause severe eye irritation. Avoid contact with skin or clothing. Avoid contact with food.

FIRST AID INSTRUCTIONS: If eye contact occurs, immediately flush eyes with water. If irritation persists, call a physician. If swallowed, do not induce vomiting. Drink milk, raw egg or water. In case of skin contact, flush with water.

PHYSICAL OR CHEMICAL HAZARD: Keep away from heat & open flame.

STORAGE/DISPOSAL: Store carefully to avoid breakage of container by tipping or falling. Do not reuse empty container. Wrap container & put in trash.

**DIRECTIONS**

DIRECTIONS FOR HOUSEHOLD USE: It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

CLEANING: FAMILY WASH: For a cleaner, brighter family wash add 1/4 cup OCEAN PINE OIL to wash, along with your regular detergent. The penetrating action of OCEAN PINE OIL helps remove dirt, grease and many stubborn stains. **BABY CLOTHES:** To remove odors from diapers, pre-soak in 1/4 cup per gallon of water. Wash baby clothes with 1/4 cup per wash load in addition to your regular detergent for hygienically clean, sweet smelling garments. To sanitize & slough odors from play pen, buggy, crib, etc. use 2 tablespoons per quart of water. **KITCHEN:** To remove grease from stove, refrigerator, sink or other greasy objects, dampen cloth with OCEAN PINE OIL and wipe surface. A small amount poured down drain will cut grease and overcome food odors. **DOGS BATH:** Add 3 tbsp. to each gallon of water to remove odors. **BATHROOM:** A few spoonfuls of OCEAN PINE OIL will clean & deodorize toilet bowl. To clean toilet seat, lavatory, etc. use 1/4 cup OCEAN PINE OIL per gallon of water. Use 1/2 cup full strength on shower floor to clean & deodorize.
