INSECTICIDE

2/12/2002

Page 1 of 1

ACCEPTED

FEB 12 2002

Under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, for the pesticide registered under EPA Reg. No. 2630-13

OCEAN SPRAY

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
CAUTION

Harmful if swallowed. Wash thoroughly with soap and water after handling. Harmful if absorbed through skin. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse. Avoid breathing vapor or spray mist. Causes moderate eye irritation. Avoid contact with eyes, skin or clothing. Wash thoroughly with soap and water after handling. Avoid contamination of food and feedstuffs. Do not apply directly to food or food handling equipment. All food processing surfaces and utensils must be covered during treatment, or thoroughly cleaned before use. Remove pets, birds and cover fish aquariums before spraying. Do not allow children or pets to contact treated surfaces until spray has dried.

Environmental Hazards: This product is toxic to fish and other aquatic animals. Do not apply directly to lakes, streams, or ponds. Do not contaminate water when disposing of equipment washwaters.

PHYSICAL OR CHEMICAL HAZARDS
Do not use or store near heat or open flame. Do not use this product in or on electrical equipment due to possibility of shock hazard.

FIRST AID

IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

IF INHALED: Remove person to fresh air. If breathing is difficult, call 911 or an ambulance then give artificial respiration, preferably mouth to mouth. Call poison control center or doctor for treatment advice.

NOTE TO PHYSICIAN: Contains petroleum distillate - vomiting may cause aspiration pneumonia. Possible mucosal damage may contraindicate the use of gastric lavage. Call 318-666-1501 for information.

Have container or label with you when calling poison control center or doctor, or going for treatment.

Poison control center phone number 1-800-256-9822.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Space Spray to Kill Flies, Mosquitoes, Small Flying Moths and Gnats: Cover or remove exposed food and food handling surfaces. Close room and shut off all air conditioning or ventilating equipment. Apply with mechanical hand sprayer or compressed air sprayer, or with fogger, when given small particle size. Direct spray upward toward upper corners of room and ceiling. Apply at the rate of 0.5 to 1.0 fluid ounces per 1,000 cu. ft. of space to be treated. Leave room closed for one-half hour. Ventilate room thoroughly before re-entry. Repeat as necessary for insect control.

Contact or Spray to Kill Roaches, Waterbugs and Ants: Cover or remove food before application as described under space spray. Apply with a sprayer that gives large wetting droplets. Force spray into cracks and crevices in walls and floors, areas at base of machinery, behind cabinets, around pipes and openings, along baseboards and other insect harborage. Use one gallon of spray per 1,000 sq. ft. of surface to be treated. For ants, spray trails and all points of entry into the building. Spray ant nests directly with a soaking application. In all cases, contact as many insects as possible directly with the spray. Repeat applications as necessary for control.

STORAGE AND DISPOSAL

Storage: Store in a cool, dry area away from heat or open flame.

Disposal: If empty, do not reuse this container. Place in trash or recycle if available. If partly filled, call local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.
