

Roach Gard is an insecticide of the highest quality especially formulated to control roaches, including the "resistant" roaches. Roach Gard also controls ants, waterbugs, silverfish, carpet beetles and certain other insects.

CAUTION: Repeated or prolonged contact with the skin can cause toxic symptoms. Avoid inhalation or skin contact. In case of spillage on skin, wash with soap and water. Avoid contamination of food stuffs. Harmful if swallowed. Do not spray on pets or other animals. Keep out of reach of children. Do not spray into or near open flame. Do not smoke while spraying.

NOTICE: Since weather and other conditions under which this product may be used will vary, seller makes no warranty of any kind, express or implied, concerning use of this product. The user assumes all risks of use or handling when not used in accordance with directions.

U.S.D.A. Reg. No. 2666-29

Active Ingredients: 100%. Contains Petroleum Distillate, Technical Chlordane*, Technical Piperonyl Butoxide**, O, O-diethyl O-(2-isopropyl-6-methyl-4-pyrimidinyl)phosphorothioate, and Pyrethrins.

*Octachloro-4, 7-methanotetrahydroindane and related compounds.

***(butylcarbityl)(6-propylpiperonyl) ether* and other related compounds.

WARNING! KEEP OUT OF REACH OF CHILDREN
