2693-130

DATE OF ISSUANCE

NOV 12 1985

TERM OF ISSUANCE

NAME OF PESTICIDE PRODUCT

Clear 25

NOTICE OF PESTICIDE: REGISTRATION
 REREISTRATION

(Under the Federal Insecticide, Fungicide,
and Rodenticide Act, as amended)

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

International Paint Co., Inc.
2270 Morris Avenue
Union, NJ 07083

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data.
2. Make the labeling changes listed below before you release the product for shipment:
 - a. Add the phrase "EPA Registration No. 2693-130.
 - b. On the left panel, delete the words "First Aid" and introduce the heading "Statement of Practical Treatment" (at that point in the label).
 - c. The words, "Active Ingredient" and "Inert Ingredients" must be of the same print size, and must be given equal prominence.
 - d. Label should bear a statement: "Contains petroleum distillates." This statement should be placed below the ingredient statement.

ATTACHMENT IS APPLICABLE

SIGNATURE OF APPROVING OFFICIAL

DATE

- e. The Pesticide Disposal instructions for this product should be:

Pesticide Disposal

Pesticide wastes are toxic. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazard Waste representative at the nearest EPA Regional Office for guidance.

3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 Enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
DANGER
KEEP OUT OF REACH OF CHILDREN**

Corrosive: Causes eye irritation and skin burns. When handling wear full protective clothing, rubber gloves, goggles, face shield or other approved eye protection. May be fatal if swallowed or inhaled. Harmful if absorbed through skin. This product may be a dermal sensitizer. Avoid contact with skin, eyes or clothing. Remove and wash contaminated clothing before reuse. Avoid breathing of vapor, spray or mist. Wash or clean from landing or blasting. Wash thoroughly with soap and water after handling and before eating or sleeping. Use with adequate ventilation.

FIRST AID: If swallowed, drink promptly a large quantity of milk, egg whites, potato starch, or, if these are not available, drink large quantities of water. Avoid alcohol. Get medical attention immediately.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage.

If on skin, wash with plenty of soap and water. Get medical attention if in eyes. Flush with water for at least 15 minutes. Get medical attention immediately if inhaled. Remove victim to fresh air. If not breathing, give artificial respiration. Breathing mask to mouth. Get medical attention immediately.

ENVIRONMENTAL HAZARDS: This material is toxic to fish. Do not apply directly to water by cleaning of equipment or disposal of wastes. Do not allow chips and dust generated during paint removal to enter water. Dispose of paint debris in an approved landfill.

PHYSICAL OR CHEMICAL HAZARDS (FLAMMABLE): Heat away from heat or open flame.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its label and

NOTE: Wear protective clothing when product is used in confined areas or applied by spraying. When spraying, sanding or blasting wear a mask or respirator only approved by the Mining Enforcement and Safety Administration and the National Institute for Occupational Safety and Health.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal. Open burning is prohibited. Pesticide, spray mixture, or residue that cannot be used or chemically repackaged should be disposed of according to procedures approved by Federal, State or local official authorities.

Containers (unless noted for reuse) must offer for recycling or reconditioning, or purchase and dispose of in a sanitary landfill, or by other approved State and local procedures.
