LAMCO CHEMICAL COMPANY, INC.
212 Arlington Street Chelsea, Mass. 02150

2716-25

BISADET is a cleaner, disinfectant and sanitizer designed for institutional use such as HOSPITALS, NURSING HOMES AND SCHOOLS where housekeeping will be of prime importance in reducing the hazard of cross-contamination by environmental surfaces. Hard surface sanitization can help in this reduction and BISADET can provide the assurance you need in this area when used as directed.

WARNING: KEEP OUT OF REACH OF CHILDREN

Causes eye and skin irritation. Do not get in eyes, on skin or on clothing. Harmful if swallowed. Avoid contamination of food.

FIRST AID

In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash all contaminated clothing before reuse. If swallowed, do not induce vomiting. Drink large quantities of fluid and call a physician immediately.

USE DIRECTIONS:

Use at 2 ounces per gallon. This product will be effective against *Pseudomonas aeruginosa* PR0-10 at this level. This has been substantiated by the AOAC USE DILUTION CONFIRMATION TEST. At This level the product is fungicidal against pathogenic fungi. Virucidal - effective against Herpes Simplex, Vaccinia Virus, Influenza A₂ (Hong Kong), and Type 2 Adeno Virus when used at 2 ounces per gallon on environmental inanimate surfaces. For best results use with a cloth or mop and apply to walls and floor areas. If used on food equipment or other food contact items, limit the level to 200 ppm of quaternaries (2.8 oz. per 5 gals. of water). For heavy soil or organic matter, a precleaning step is recommended. Rinse empty container thoroughly with water and discard it.
