

AS-575

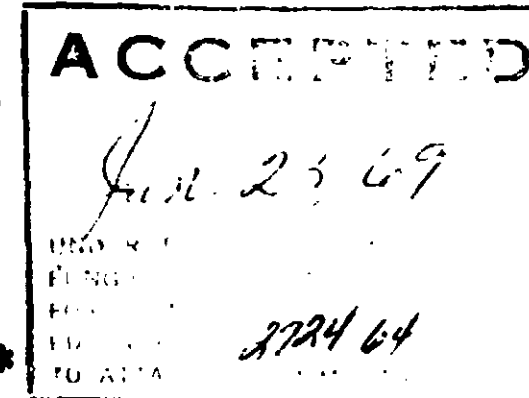

with DELNAV*

INSECTICIDE CONCENTRATE

Kills Brown Dog Ticks, Fleas and Clover Mites.
Use to spray yards, homes, and dog houses.

WARNING: KEEP OUT OF REACH OF CHILDREN
SEE BACK PANEL FOR ADDITIONAL CAUTIONS.

ACTIVE INGREDIENTS: Dioxathion 2, 3-p-Dioxanedithiol S, S-bis (O, O-diethyl phosphorodithioate) 17.5%; Related compounds 7.5%; Xylene 65%.
INERT INGREDIENTS: 10%. * A registered Trademark of Hercules, Inc.

DIRECTIONS FOR USE

FOR CONTROL OF TICKS AND FLEAS IN DOG HOUSES, LAWNS AND OUTDOOR AREAS: Dilute one quart of AS-575 with 12½ gallons of water (5 tbs. per gallon) to make a 0.5% solution and spray infested areas. Pay particular attention to places where dogs have been sleeping or resting for the past several months. Spray lawns at the rate of 12 gallons of dilute (0.5%) solution per 4,000 sq. ft. Keep children and pets off treated area until this material is washed into the soil and area is completely dry.

FOR USE INSIDE OF HOMES INFESTED WITH TICKS AND CLOVER MITES: Dilute one quart of AS-575 with 12½ gallons of water and spray infested areas (AS-575 Emulsifiable Concentrate may be mixed with oil instead of water if desired, but should be decanted or filtered prior to use because a small amount of inert material will separate out on mixing with deodorized kerosene). Cover or remove aquaria in areas to be treated.

NOTICE

WARNING: May be fatal if swallowed, inhaled, or absorbed through skin! Do not get concentrate in eyes, on skin, or on clothing. Do not breathe vapors or spray mist. Wash thoroughly with soap and water after handling concentrate. Do not contaminate feed and food stuffs. Keep out of reach of children. Do not apply to animals. Do not apply to feed or food crops. Do not re-use container. Destroy when empty.

ANTIDOTE: External — wash with soap and water. Internal — call a physician immediately; large doses of atropine are antidotal. Give emetic of mustard.

Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and handling of this material when such use and handling is contrary to label instructions.
