96 DEC 21 13:54

RECD. 10/10/96 PDI

READ ENTIRE LABEL BEFORE EACH USE
USE ONLY ON DOGS OR CATS

DIRECTIONS FOR USE: It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Kemic may be used as an aid in the control of Brown Dog Ticks on dogs, cats, and premises and is effective against fleas on dogs and cats.

Use product only outside or in a well ventilated area. Wearing household latex or rubber gloves, dust entire animal, avoiding pet's eyes, nose, mouth, and genital areas. Rub or brush pet's hair to work dust down to the skin. This product should not be applied by children. Consult a veterinarian before using this product on debilitated, aged, animals on medication, or nursing animals. Do not use on pregnant dogs or cats. Do not use on kittens or puppies under 12 weeks of age. Dust bedding and doghouse using a shaker can or other dust applicator.

For control of ticks & fleas on dogs and cats: ~~Dust powder liberally over the animal and rub thoroughly into the skin.~~ Be sure to apply also to the feet, between the toes, and on the legs. Comb out dead ticks a few hours after treatment.

When dusting mother dogs or cats, remove the mother for treatment and return her to the puppies or kittens after one or two hours. Repeat every week ~~at weekly intervals~~ if needed.

In kennels, dog houses: Dust in and around sleeping quarters and other areas where ticks and fleas occur.

STORAGE AND DISPOSAL: Store in original closed container, away from children. Do not reuse empty container. Wrap and put in trash.

PRECAUTIONARY STATEMENTS

CAUTION: May be harmful if swallowed. Avoid breathing dust. Avoid contact with eyes, skin, or clothing. Wash thoroughly after handling. Do not use this product in places where food is prepared or processed.

~~Do not treat kittens or puppies under four weeks of age. Minimize treatment of eyes and face.~~ Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately. ~~Do not use on pregnant dogs and cats.~~
