**STARBAR FLY REPELLENT** for Horses and Ponies is especially formulated to protect animals from Biting Flies, such as Stable Fly, Horse Fly, Horn Fly, Deer Fly and other Biting Insects such as Mosquitoes and Gnats. This product also protects animals from Face Fly irritation.

#### DIRECTIONS FOR USE

**MIXING:** Dilute one pint of **STARBAR FLY REPELLENT** with 1 1/4 gallons (1 1/2 tablespoons per pint) of water. Stir to mix well.

For protection against Stable Fly, Horn Fly, Face Fly, Mosquitoes and Gnats, spray one quart of diluted material per animal. Treat legs and under belly thoroughly. For Face Fly treat face and neck thoroughly. Animals that shy from spray may be treated by wiping diluted material on with a sponge. Apply 1 quart per animal. Repeat weekly or as necessary.

For protection against Horse Fly and Deer Fly, follow the above directions but treat every 3 days or as necessary to give continued protection.

This product is toxic to fish. Keep out of lakes, streams, or ponds. Do not contaminate water by cleaning of equipment, or disposal of wastes. Do not apply when weather conditions favor drift from areas treated. Apply this product only as specified on this label.

Do not reuse empty container. Destroy it by perforating or crushing. Bury or discard in a safe place.

Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and handling of this material when such use and handling is contrary to label instructions.

**CAUTION:** Keep Out of Reach of Children. Harmful if swallowed.
