See back panel for additional warnings

Sold by
STARBAR
a ZOECON~THURON® company
12200 Denton Drive, Dallas, Texas 75234

DIRECTIONS FOR USE

As an aid in the control of hornflies and lice on beef cattle, dilute one quart of **STARBAR BACK RUBBER CONCENTRATE** with 4 $\frac{3}{4}$ gallons fuel oil or other suitable carrier and charge backrubber device or soak sack or cloth as occasion requires. Retreat backrubber as needed.

Do not spray animals with backrubber solution. Rinse empty container thoroughly with water and discard it.

WARNING: May be fatal if swallowed, inhaled, or absorbed through skin. Do not get in eyes, on skin, or on clothing. Do not contaminate feed and food stuffs. Wash hands and face thoroughly after using and before eating or smoking. Do not use or store near heat or open flame. Do not use on dairy animals or in dairy barn. Do not **SPRAY** animals with backrubber solution.

Do not breathe vapors. This material is a cholinesterase inhibitor and may, without symptoms, be increasingly hazardous. If handled indoors, provide mechanical ventilation.

TAKE TIME

OBSERVE LABEL
DIRECTIONS

This product is toxic to fish, wildlife and birds. Do not contaminate water by cleaning of equipment or disposal of wastes.

ANTIDOTE: External—wash with soap and water. Internal—call a physician immediately; large doses of atropine are antidotal. Give emetic of mustard.

WARRANTY: Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and handling of this material when such use and handling is contrary to label instructions.
