

[2724-171]

**Indications:** For use on dogs and cats to control fleas and lice. Imparts a clean, lustrous skin and hair condition. Promotes manageability of hair coat for good grooming.

**Directions for use:** Thoroughly wet the entire animal with warm water. Apply just enough shampoo to produce a lather. For best therapeutic effects on fleas and lice, allow lather to remain on animal for approximately five minutes before rinsing. Rinse thoroughly with warm water. May be repeated once or twice weekly.

**ACTIVE INGREDIENTS:**  
Pyrethrins . . . . . 0.06%  
Technical piperonyl butoxide\* . . . . 0.12%  
N-octyl bicycloheptene dicarboximide 0.20%  
**INERT INGREDIENTS:** . . . . . 99.62%

\* Consists of 0.096% (butylcarbityl) (6-propylpiperonyl) ether and 0.024% related compounds.

**Caution:** Keep out of reach of children. Do not take internally. For external use on animals only. Not for use on humans. Wash after handling.

Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and handling of this material when such use and handling is contrary to label instructions.

**Indications** For use on dogs and cats to control fleas and lice. Imparts a clean, soft, lustrous skin and hair condition. Provides the manageability of hair as determined by the owner.

**Directions for use** The shampoo is put in a container and diluted with warm water. Apply to the coat of the animal to produce a lather. Wash thoroughly to produce the effects on fleas and lice. Rinse thoroughly with warm water. Dry the animal thoroughly.

**How to Use** KEMIC Pet Shampoo is a mild, non-irritating, protein-based shampoo. It is suitable for use on all breeds of dogs and cats. It is especially beneficial for dogs and cats with dry, itchy skin. It is also suitable for use on dogs and cats with flea and lice infestations.

**Caution** Avoid contact with eyes and mucous membranes. If contact occurs, flush with water. Do not use on open wounds or skin infections. Do not use on animals with known hypersensitivity to any of the ingredients. Do not use on animals with known allergies to any of the ingredients. Do not use on animals with known skin conditions. Do not use on animals with known flea and lice infestations.
