U.S. PAT. NOS. 2,956,073; 3,116,201; 3,319,759

*Equivalent to 20% Vapona R Insecticide

TOTAL 100.0%

Directions for use:

Hook Flea Tag to the dog's (less than 20 lbs.) collar and pinch "S" hook together. Flea kill begins at once and will continue for 90 days while tag is worn. Ticks are harder to kill, but those in neck area only will be killed for a short period of time. For continuous protection, replace tag every 90 days.

Caution: Do not open protective pouch until ready to use. Do not allow children to play with tag. The tag is intended for use only as an insecticide generator, and is not to be taken internally by man or animals. Do not use on sick or convalescing dogs. Do not use on whippets or greyhounds. Do not use other pesticides on dogs while tag is worn. Remove the tag if any adverse reactions are observed. Some animals may be sensitive to this product.

Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risks of use and handling of this material when such use and handling is contrary to label instructions.
