466272-A

Directions for use

Hook Flea Medallion to the cat's or small dog's (less than 20 lbs.) collar and pinch "S" hook together. Flea kill begins at once and will continue for 90 days while Medallion is worn. Ticks are harder to kill, but those in neck area only will be killed for a short period of time. For continuous protection, replace Medallion every 90 days.

Caution: Do not open protective pouch until ready to use. Do not allow children to play with Medallion. The Medallion is intended for use only as an insecticide generator, and is not to be taken internally by man or animals. Do not use on sick or convalescing dogs or cats. Do not use on whippets or greyhounds. Do not use other pesticides on dogs or cats while Medallion is worn. Remove the Medallion if any adverse reactions are observed. Some animals may be sensitive to this product.

Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risks of use and handling of this material when such use and handling is contrary to label instructions.
