

General Use Classification

For use in homes and businesses.

Directions Mix with water.

Mix 1/2 AM. (1/2 ounce) of Golden Malrin with 1 quart of water. Spray or pour the mixture on flies. The mixture will attract and kill the flies. For best results, use the mixture in a dark, warm place. The mixture will kill flies within 24 hours.

Storage and Disposal

Store in a cool, dry place. Do not use if the mixture has been exposed to moisture. Dispose of the mixture by pouring it down the drain.

Precautionary Statements Caution: Hazard to humans and domestic animals.

Keep out of reach of children and domestic animals. Do not use in areas where children or domestic animals are present. Do not use in areas where food is prepared or served.

Note to Physician: No known hazards.

For more information, contact the manufacturer. For more information, contact the manufacturer.

Environmental Hazards

Do not use in areas where wildlife is present. Do not use in areas where wildlife is present.
