PRECAUTIONARY STATEMENTS

HAZARDS TO HUMAN AND DOMESTIC ANIMALS - CAUTION: Harmful if swallowed, inhaled or absorbed through the skin. Avoid breathing dust. Avoid contact with skin, eyes or clothing.

STATEMENT OF PRACTICAL TREATMENT: If swallowed - Drink 1 or 2 glasses of water and induce vomiting by touching back of throat with finger. Do not induce vomiting or give anything by mouth to an unconscious person. Get medical attention. If on skin - Remove contaminated clothing and wash affected areas with soap and water. If in eyes - Flush eyes with plenty of water. Call a physician immediately.

NOTE TO PHYSICIAN: Methomyl is a cholinesterase inhibitor.

Do not contaminate feed and foodstuffs. [Do not use the can opener used to open this product on food containers. Use a separate can opener.] Do not apply where poultry or animals, especially dogs and young calves can pick it up or lick it. Do not use in homes or where milk is processed or stored. Do not feed treated garbage. Use only in areas inaccessible to food producing animals.

Do not use in edible product areas of food processing plants, restaurants or other areas where food is commercially prepared or processed. Do not use in serving areas while food is exposed.

ENVIRONMENTAL HAZARDS: Exposed surfaces treated with this bait are hazardous to birds and other wildlife. Use with care when applying in areas frequented by wildlife or adjacent to any body of water. Do not apply directly to water. Do not contaminate water by cleaning of equipment or disposal of wastes.

DIRECTIONS FOR USE - It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

GOLDEN MALRIN Fly Killer is an improved fly bait formula containing MUSCAMONE fly attractant which encourages both male and female flies to remain in the treated area, thus feeding on the bait. Bait should be scattered over specified fly feeding surfaces daily or as needed to provide initial knockdown and reduction of fly populations. Distribute bait from container or other device to avoid handling bait.

Use GOLDEN MALRIN Fly Killer only around the outside of (feed lots,) (broiler houses,) (livestock barns,) (kennels,) (fast-food establishments,) (canneries,) (beverage plants,) (meat and poultry processing plants,) (co-missaries,) (bakeries,) (supermarkets,) (refuse dumpsters,) food processing plants and restaurants. (Bait may be used on walkways in caged layer houses.) Scatter bait (do not put in piles) at the rate of approximately 1/4 lb. per 500 sq.ft. [15 g pouch per 20 sq.ft.] of fly feeding area (keeping 1 to 2 inch intervals between particles). Do not allow food producing animals to have access to treated areas.

STORAGE & DISPOSAL: Do not contaminate water, food or feed by storage or disposal. 15 g Pouch Disposal: Do not reuse empty pouch. Wrap and put in trash collection. Pesticide Disposal: Pesticide or rinse water that cannot be used according to label instructions must be disposed of according to applicable Federal, State, or local procedures. Container Disposal: (can) Triple rinse. Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other approved State and local procedures. Container Disposal: (drum) Completely empty liner by shaking and tapping sides and bottom to loosen clinging particles. Empty residue into application equipment. Then dispose of liner and drum in a sanitary landfill or by incineration if allowed by State and local authorities.

Zoecon Corporation warrants that the chemical composition of this product conforms to the chemical description on the label and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use. Zoecon makes no other warranty, express or implied, concerning the use of this product other than as indicated on the label. Buyer assumes all risks of use, storage or handling of this material not in strict accordance with directions given on the label.
