**KEEP OUT OF REACH OF CHILDREN  
CAUTION**

See back panel for additional  
precautionary statements.

NET WT. 7.5 oz. (213 g)

Zoecon RF-184 Fogger contains a unique combination of ingredients that kills both adult and preadult fleas before they grow up to bite. It reaches fleas [adult and pre-adult fleas] hidden in carpets, rugs, drapes, upholstery, pet bedding, floor cracks. Protects your home from reinfestation and flea buildup, your pets and family from bites.

[Zoecon RF-184 Fogger (also) kills: roaches, ticks, ants, flies, spiders and flying moths.]

One treatment with Zoecon RF-184 Fogger gives continuous protection against fleas for 75 days (10 weeks)(2 1/2 months). Zoecon RF-184 Fogger leaves no bad smell, no sticky mess and, used as directed, does not stain furnishings.

To protect your pet against fleas outdoors, use a (brand name) flea or flea and tick collar.

#### PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS & DOMESTIC ANIMALS-CAUTION: Harmful if swallowed, inhaled, or absorbed through the skin. Avoid breathing mist. Avoid contact with skin, eyes or clothing. Wash thoroughly after handling.

STATEMENT OF PRACTICAL TREATMENT: If swallowed - Call a physician or Poison Control Center immediately. Do not induce vomiting. Note to Physician: May present aspiration hazard. Atropine should be administered only if symptoms of cholinesterase inhibition appear. If inhaled - Remove victim to fresh air. Apply artificial respiration if indicated. If on skin - Remove contaminated clothing and wash affected areas with soap and water. If in eyes - Flush eyes with plenty of water. Get medical attention if irritation persists.

Avoid contamination of food and foodstuffs. Do not use in edible product areas of food processing plants, restaurants, or other areas where food is commercially prepared or processed. Do not use in serving areas while food is exposed.

PHYSICAL OR CHEMICAL HAZARDS: Contents under pressure. Do not use or store near heat or open flames. Exposure to temperatures above 130°F may cause bursting. Do not puncture or incinerate.

DIRECTIONS FOR USE - It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Use at least one [fogger] canister for each 7,500 cu. ft. (940 sq. ft.) of unobstructed area, (approximately 30' X 30' or eight 10' X 12' rooms). For most effective results, entire dwelling should be treated. Use additional cans for remote rooms or where full flow of mist is not assured.

Remove pets. Be sure to leave pet bedding as this is a primary hiding place for fleas [adult and pre-adult fleas] and must be treated to get best results. No need to discard pet bedding after treatment. Fish tanks or bowls should either be covered with paper or removed.

Place in middle of the room on [the floor or a raised area such as a table or chair] a table or floor. Place newspapers under can to [protect the surface] prevent any surface marring. Extinguish all open flames except pilot lights. Place at least six feet away from pilot lights. Close [outside] all doors and windows [and turn off fans and air conditioners]. Shut off fans and air conditioners. Cover or remove any exposed foods. Cover dishes and food handling equipment. Open cabinets and doors to areas to be treated. [Open cupboards, closets, trunks and interior doors in area to be treated.] [Leave rug, drapes, slip covers, upholstered furniture in place. Used as directed, this product will not harm them, just the fleas (adult and preadult fleas) hiding inside.]

Keep at arm's length when releasing. Point top of can away from face and eyes. [Keep at arm's length, point top of can away from face and eyes.] Press down actuator tab to lock in position to start fogging action. Set in upright position and leave building [treated area] at once. Leave undisturbed for two hours. [Upon return] Open doors and windows and allow to air for 30 minutes.

STORAGE & DISPOSAL: Do not contaminate water, food or feed by storage or disposal. Do not reuse empty container. Wrap container and put in trash collection.

Seller makes no warranty, express or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk for use and handling of this material when such use and handling are contrary to label instructions.
