NET CONTENTS: 12 oz. (340 g)

Zoecon RF-184 Fogger contains a unique combination of ingredients that kills both adult and preadult fleas before they grow up to bite. It reaches fleas (adult and preadult fleas) hidden in carpets, rugs, drapes, upholstery, pet bedding, floor mats. Protects your home from reinfestation and flea buildup, your pets and family from bites.

[Zoecon RF-184 Fogger (also) kills: roaches, ticks, ants, flies, spiders and flying moths.]

One treatment with Zoecon RF-184 Fogger gives continuous protection against preadult fleas for 75 days (10 weeks)(2 1/2 months). Zoecon RF-184 Fogger leaves no bad smell, no sticky mess and, used as directed, does not stain furnishings.

To protect your pet against fleas outdoors, use a (brand name) flea or flea and tick collar.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS & DOMESTIC ANIMALS-CAUTION: Harmful if swallowed, inhaled, or absorbed through the skin. Avoid breathing mist. Avoid contact with skin, eyes or clothing. Wash thoroughly after handling. Avoid contamination of food and foodstuffs. Do not use in edible product areas of food processing plants, restaurants, or other areas where food is commercially prepared or processed. Do not use in serving areas while food is exposed. Pets should be removed and fish aquariums covered or removed before treatment. Do not allow children to lie or sleep in treated areas until at least six hours following treatment.

STATEMENT OF PRACTICAL TREATMENT: If swallowed - Call a physician or Poison Control Center immediately. Do not induce vomiting. Note to Physician: May present aspiration hazard. Atropine should be administered only if symptoms of cholinesterase inhibition appear. If inhaled - Remove victim to fresh air. Apply artificial respiration if indicated.
