#### PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS - CAUTION: Harmful if swallowed absorbed through skin. Avoid breathing dust. Avoid contact with skin, eyes

STATEMENT OF PRACTICAL TREATMENT: If swallowed - Drink 1 or 2 glasses or vomit by touching back of throat with finger. Do not induce vomiting or by mouth to an unconscious person. Get medical attention. If on contaminated clothing and wash affected areas with soap and water. IF in eye with plenty of water. Call a physician immediately.

NOTE TO PHYSICIAN: Methomyl is a cholinesterase inhibitor.

Do not contaminate feed and foodstuffs. Do not apply where poultry or especially dogs and young calves, can pick it up or lick it. Do not use in milk is processed or stored. Attach to surfaces out of reach of food product. Do not use in edible product areas of food processing plants, restaurants where food is commercially prepared or processed. Do not use in serving area is present.

ENVIRONMENTAL HAZARDS: This pesticide is toxic to birds. Collect, cover granules spilled on the soil surface. Do not apply directly to water or wet bogs, marshes, and potholes. Do not contaminate water when disposing washwaters.

DIRECTIONS FOR USE: It is a violation of Federal law to use this product inconsistent with its labeling.

Use only when wearing the following personal protective clothing during application, repairing and cleaning of application equipment, and disposal of pesticide: long sleeve shirt; long-legged pants; shoes and socks; gloves.

IMPORTANT! If pesticide comes in contact with skin, wash off with soap and water.

ALWAYS WASH HANDS, FACE, AND ARMS WITH SOAP AND WATER BEFORE USING TOBACCO EATING, DRINKING, OR TOILETING.

Zoecon RF-199 Golden Fly Belt contains NUSCAMONE fly attractant which encourages and female flies to remain on the belt, thus feeding on the bait. The belt (any desired length and) attached to posts, walls, ceilings and other locations tend to feed, rest or congregate. Be sure not to locate where food may be consumed where animals or children may have access to the bait. Place belt (at approximately 10-20 ft. intervals) in areas sheltered from precipitation (in areas of infestations, additional cards may be used.) Replace belt when effectiveness is reduced.

Use Zoecon RF-199 Golden Fly Belt in (stables,) (dairy barns,) (kennels,) (swine houses,) (broiler houses,) (livestock barns,) (calf barns,) (animal shelters.) Use Zoecon RF-199 Golden Fly Belt around the outside of (plants,) (meat and poultry processing plants,) (feed lots,) (feed mill establishments,) (canneries,) (beverage plants,) (bakeries,) (supermarkets,) and (refuse dumpsters).

STORAGE & DISPOSAL: Do not contaminate water, food or feed by storage or disposal.

Pesticide Disposal: Pesticide that cannot be used according to label instructions should be disposed of according to applicable federal, state, or local procedures.

Container Disposal: Dispose of empty containers in a sanitary landfill or by other means if allowed by state and local authorities.

Seller makes no warranty, express or implied, concerning the use of this product indicated on the label. Buyer assumes all risks of use and handling of this product. Such use and handling are contrary to label instructions.
