EPA Reg. No. 2724-313

EPA Est. No. 33649-JP-02

NET WEIGHT:

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS - WARNING: May be harmful or fatal if swallowed, inhaled, or absorbed through skin. Do not breathe vapors. Do not get in eyes, on skin, or on clothing.

FIRST AID TREATMENT

In case of any suspected poisoning, either internal or external, consult a physician immediately. If swallowed, drink one to two glasses of water and induce vomiting by touching back of throat with finger or blunt object. Do not induce vomiting or give anything by mouth to an unconscious person. If patient is not breathing, start artificial respiration immediately.

NOTE TO PHYSICIAN: Propetamphos, an organophosphate compound, is a cholinesterase inhibitor. Atropine or atropine with obidoxime hydrochloride is the emergency antidote.

In case of skin contact, remove patient from area. Remove all contaminated clothing and wash skin gently and repeatedly with soap and water.

In case of eye contact, flush immediately with water. Continue flushing for at least 15 minutes.

ENVIRONMENTAL HAZARDS: This pesticide is toxic to fish, aquatic invertebrates and other wildlife and poses a risk to reproduction of birds. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

HANDLING AND SAFETY PRECAUTIONS

Do not use or store near heat or open flame.

In case of prolonged exposure, wear rubber gloves, protective clothing, and goggles. Wash hands, arms, and face area with soap and water before eating or smoking. Wash all contaminated clothing with soap and hot water before reuse.

SPILLAGE: In case of spillage, cover with an absorbent material such as clay or sawdust. Sweep up and bury. Then wash area with strong detergent solution.

DIRECTIONS FOR USE: It is a violation of Federal Law to use this product in a manner inconsistent with its labelling.

Only for formulation into a propetamphos insecticide product for indoor, nonresidential crack and crevice treatment only for the following use areas: food service establishments (e.g., restaurants, taverns, delicatessens, mess halls, mobile canteens, around vending machines, grocery stores and markets where there is no contact with food, and when food is removed or covered prior to treatment, including schools, hospitals and nursing homes in food service areas only; indoor non-food areas (e.g., office buildings; commercial; and industrial buildings and warehouses; and institutions, except those where children and the elderly occupy, such as and including schools, day-cares, hospitals, and nursing homes); and non-food areas of eating establishments where there is no contact with food, and where no food processing, packing, and no food and/or feed warehousing occurs.

The product may be used to formulate products for any additional use(s) not listed on the MP label if the formulator, user group, or grower has complied with US EPA submission requirements regarding support of such use(s).

STORAGE AND DISPOSAL: **Storage:** Store in a cool, dry, ventilated area away from humans, pets, foodstuffs, or feed. Do not store near heat or open flame. **Pesticide Disposal:** Pesticide wastes are toxic. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance. **Container Disposal:** **Metal Container:** Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose in a sanitary landfill, or by other procedures approved by state and local authorities. **Plastic Container:** Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose in a sanitary landfill, or incineration, or if allowed by state and local authorities, by burning. If burned, stay out of smoke.

Wellmark International makes no warranty, express or implied, concerning the use of this product other than as indicated on the label.
