NOTICE OF PESTICIDE: REGISTRATION
 REREГИSTRATION

Under the Federal Insecticide, Fungicide,
and Rodenticide Act, as amended:

NAME OF PESTICIDE PRODUCT

Maxxon 2724-336 Rodney

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

Maxxon
1100
Dallas, TX 75202

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

The following conditions apply to the registration of this pesticide:

1. The registrant shall file with the Agency a copy of the label for this pesticide in accordance with the requirements of 40 CFR 155.101 and 155.102.
2. The registrant shall file with the Agency a copy of the label for this pesticide in accordance with the requirements of 40 CFR 155.101 and 155.102.
3. The registrant shall file with the Agency a copy of the label for this pesticide in accordance with the requirements of 40 CFR 155.101 and 155.102.
4. The registrant shall file with the Agency a copy of the label for this pesticide in accordance with the requirements of 40 CFR 155.101 and 155.102.
5. The registrant shall file with the Agency a copy of the label for this pesticide in accordance with the requirements of 40 CFR 155.101 and 155.102.
6. The registrant shall file with the Agency a copy of the label for this pesticide in accordance with the requirements of 40 CFR 155.101 and 155.102.
7. The registrant shall file with the Agency a copy of the label for this pesticide in accordance with the requirements of 40 CFR 155.101 and 155.102.
8. The registrant shall file with the Agency a copy of the label for this pesticide in accordance with the requirements of 40 CFR 155.101 and 155.102.
