Zoecon RF-280 Aerosol kills (or controls) cockroaches, flies, ticks and fleas. Zoecon RF-280 Aerosol contains a unique combination of ingredients that kills both adult and preadult fleas. Even kills fleas before they grow up to bite. PRECOR^R, a unique ingredient in the Zoecon RF-280 Aerosol, continues to kill (or control) fleas for 120 days (17 weeks) (4 months) by preventing their development into the adult biting stage. Zoecon RF-280 Aerosol reaches fleas hidden in carpets, rugs, drapes, upholstery, pet bedding, floor cracks. Protects your home from reinfestation and flea buildup, your pets and family from bites. One treatment with Zoecon RF-280 Aerosol gives continuous flea protection for 120 days.

Zoecon RF-280 Aerosol leaves no bad smell or sticky mess and, used as directed, does not stain furnishings.

To protect your pet against fleas outdoors, use a (brand name) flea or flea and tick collar.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS-WARNING: May cause eye irritation. Do not get in eyes. Avoid contact with skin and clothing. Harmful if inhaled. Avoid breathing vapors. Cover or remove fish bowls before use. Do not apply to animal or humans.

Avoid contamination of food and foodstuffs. Do not use in edible product areas of food processing plants, restaurants, or other areas where food is commercially prepared, processed or stored. Do not use in serving areas while food is exposed.

STATEMENT OF PRACTICAL TREATMENT: If in eyes - Flush with plenty of water. Get medical attention if irritation persists. If inhaled - Remove victim to fresh air. Apply artificial respiration if indicated. If on skin - Remove contaminated clothing and wash affected areas with soap and water.

PHYSICAL AND CHEMICAL HAZARDS: Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperature above 130°F may cause bursting.

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

FLEAS & TICKS: Hold can [upside down] 2-3 feet from surfaces to be treated. Be sure to apply uniformly using a sweeping motion to carpets, rugs, drapes and all surfaces of upholstered furniture. Be sure to treat pet bedding as this is a primary hiding place for fleas. No need to remove pet bedding after treatment. DO NOT TREAT PETS. Re-treat as necessary.

One can of Zoecon RF-280 Aerosol will treat a surface area of approximately 1500 square feet. Avoid wetting furniture and carpeting. A fine mist or spray applied uniformly is all that is necessary to kill fleas and ticks.

To kill cockroaches and flies, apply directly to pests.

STORAGE & DISPOSAL: Store in cool area away from children. Do not reuse empty container. Wrap and put in trash.
