Zoecon RF-280 Aerosol kills (or controls) cockroaches, flies, ticks and fleas. Zoecon RF contains a unique combination of ingredients that kills both adult and preadult fleas. before they grow up to bite. PRECOR®, a unique ingredient in the Zoecon RF-280 Aerosol to kill (or control) fleas for 210 days (30 weeks) (7 months) by preventing their development biting stage. Zoecon RF-280 Aerosol reaches fleas hidden in carpets, rugs, drapes, bedding, floor cracks. Protects your home from reinfestation and flea buildup, your pets from bites. One treatment with Zoecon RF-280 Aerosol gives continuous flea protection for 7 months.

Zoecon RF-280 Aerosol leaves no bad smell or sticky mess and, used as directed, furnishings.

To protect your pet against fleas outdoors, use a (brand name) flea or flea and tick collar.

**PRECAUTIONARY STATEMENTS****HAZARDS TO HUMANS AND DOMESTIC ANIMALS - CAUTION:** May cause eye irritation on contact with eyes, skin or clothing. Harmful if swallowed, inhaled or absorbed through the breathing mist. Do not apply to animals or humans. Remove birds and cover fish tanks when spraying.

Avoid contamination of food and foodstuffs. Do not use in edible product areas of hotels, plants, restaurants, or other areas where food is commercially prepared, processed or served. Do not use in serving areas while food is exposed.

**STATEMENT OF PRACTICAL TREATMENT:** If in eyes - Flush with plenty of water immediately. If irritation persists. If inhaled - Remove victim to fresh air. Apply artificial respiration if necessary. If on skin - Remove contaminated clothing and wash affected areas with soap and water.**PHYSICAL AND CHEMICAL HAZARDS: FLAMMABLE.** Contents under pressure. Do not use near heat or open flame. Do not smoke in the use area. Do not puncture or incise. Exposure to temperature above 130°F may cause bursting.**DIRECTIONS FOR USE:** It is a violation of Federal law to use this product in a manner inconsistent with its labeling.**FLEAS & TICKS:** Hold can [upside down] 2-3 feet from surfaces to be treated. Be sure to treat pet bedding as this is a primary hiding place for fleas. No need to remove bedding after treatment. DO NOT TREAT PETS. Re-treat as necessary.

One can of Zoecon RF-280 Aerosol will treat a surface area of approximately 1500 square feet of wetting furniture and carpeting. A fine mist or spray applied uniformly is all that is necessary to kill fleas and ticks.

To kill cockroaches and flies, apply directly to pests.

**STORAGE & DISPOSAL:** Store in cool area away from children. Do not use in a container. Wrap and put in trash.Zoecon Corporation
