NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data.
2. Add the phrase, "EPA Registration No. 2724-340" to your label before you release the product for shipment.
3. Submit five (5) copies of your final printed labeling before your release the product for shipment. Refer to the A-79 Enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

NET CONTENTS:

ACCEPTED
FEB 02 1989
Under the Federal Insecticide, Fungicide, and
Rodenticide Act, as amended, this
pesticide registered under
EPA Reg. No. 2724-340

PRECAUTIONS:
HAZARDS TO HUMANS AND DOMESTIC ANIMALS—CAUTION: Avoid contact with skin, eyes, or clothing. Wash thoroughly after use.

STATEMENT OF PRACTICAL TREATMENT: If swallowed, immediately. Do not induce vomiting. Note: Acropine should be administered only if supplied. Inhaled - Remove victim to fresh air. Apply first aid - Remove contaminated clothing and wash affected skin with plenty of water. Get medical attention.

PHYSICAL OR CHEMICAL HAZARDS: Contents under pressure. Do not puncture or incinerate container. Avoid contact with flame.

DIRECTIONS FOR USE: It is a violation of the Federal Insecticide, Fungicide, and Rodenticide Act to use this product in a manner inconsistent with its labeling.

General Information: Zocon RF-256 Aerosol is for use on buildings and structures and is not for use on animals. Permitted sites of application include but are not limited to: stores, warehouses, schools, nursing homes, hotels, cars, trucks, trailers and aircraft. Zocon RF-256 is not for use in food handling establishments. When used as directed, Zocon RF-256 controls:

Cockroaches, Ants, Crickets, Firebrats, Pillbugs, Spiders, Fleas, Brown Dog Ticks, Carpet Beetles, and Fleas. Apply as a spot or crack and crevice treatment. Permitted sites of application include but are not limited to: baseboards, storage areas, closets, around water pipes, refrigerators, cabinets, sinks and stoves, and under sinks.

For Ants and Carpenter Ants: Apply to ant trails and where accessible, treat ant nests or infested wood.

For Fleas and Brown Dog Ticks: Apply a fine stream of spray including adjacent cracks and crevices. Allow 24 hours for control of Brown Dog Ticks to be evident. Clean fresh bedding after treatment. Do not treat area until spray has dried.

Pantry Pests - Exposed Stages (Sawtoothed Ootheca, Cigarette Beetle): Remove all foodstuffs from area. Discard used shelf paper and any cupboards. Allow spray to dry. Apply fresh materials.

Food Handling Establishments: Application of this product is limited to crack and crevice treatment only. Use of extension tube or equipment capable of delivering spray into extension tube 1/2 inch into cracks, crevices, and other voids may be a problem. Release small amounts (approx. 1/2 ounce) should be taken to avoid depositing the product material into the air. Avoid contamination of food areas.

Food areas include areas for receiving, storing, preparing, and serving edible waste storage and edible oils, syrups). Serving areas are also included when a facility is in operation. Apply in small amounts between equipment and floors, openings under equipment legs and bases, around water pipes, refrigerators, cabinets, sinks, closets, shelves, drawers and similar areas where cockroaches and crickets hide. Repeat treatment is not permitted. Application of this product in food areas of crack and crevice treatment are not permitted.

Zocon RF-256 Aerosol is authorized by the Federal Insecticide, Fungicide, and Rodenticide Act for use in poultry plants. For applications in nonfood areas, see the instructions given above.

STORAGE & DISPOSAL: Store in original container. Wrap and put in trash collection container.

WARRANTY AND COVERAGE: Zocon Corporation warrants that the chemical description on the label and its uses are those shown when used in accordance with directions and other warranty, express or implied, concerning the product. Super assumes all risk not in strict accordance with directions given on the label.
