NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA section 4(e)(7)(A) provided that you:

1. Submit/cite all data required for registration/reregistration of your product under FIFRA section 3(c)(2) when the Agency requires all registrants of similar products to submit such data.
2. Add the phrase "EPA Registration No. 2724-360" to your label before you release the product for shipment.
3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions. A stamped copy of the label is enclosed for your records.

No Sticky Mess

Zoecon RF-297 Aerosol kills (or controls) cockroaches, flies, ticks and fleas. Zoecon RF-297 Aerosol contains a unique combination of active ingredients: permethrin, which kills adult and preadult fleas. Even kills fleas PRECOR[®], a unique ingredient in the Zoecon RF-297 Aerosol (which controls fleas for 120 days (17 weeks) (4 months) into the adult biting stage. Zoecon RF-297 Aerosol kills fleas on carpets, rugs, drapes, upholstery, pet bedding, and furniture. From reinfestation and flea buildup, your pet's treatment with Zoecon RF-297 Aerosol gives continuous protection.

Zoecon RF-297 Aerosol leaves no bad smell or sticky residue and will not stain furnishings.

To protect your pet against fleas outdoors, use a flea collar.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS-CAUTION: Harmful if inhaled. May cause eye irritation. Avoid breathing vapors. Wash thoroughly after handling. Cover or remove fish bowls before use. Avoid contact with humans.

Avoid contamination of food and foodstuffs. Do not use in food processing plants, restaurants or other areas where food is prepared, processed or stored. Do not use in service areas.

STATEMENT OF PRACTICAL TREATMENT: If on skin - wash affected areas with soap and water. If inhaled - Apply artificial respiration if indicated. If in eyes - Flush with water. Get medical attention if irritation persists.

PHYSICAL AND CHEMICAL HAZARDS: Contents under pressure. Do not heat or open flame. Do not puncture or incinerate. Temperatures above 130°F may cause bursting.

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Do not use this product in or on electrical equipment where a shock hazard exists.

FLEAS & TICKS: SHAKE WELL. Hold can (upside down) and spray treated. Be sure to apply uniformly using a spray nozzle on drapes and all surfaces of upholstered furniture. This is a primary hiding place for fleas. No retreatment. DO NOT TREAT PETS. Re-treat as necessary.

Avoid wetting furniture and carpeting. A fine mist is all that is necessary to kill fleas and ticks.

To kill cockroaches and flies, apply directly to pest.

STORAGE & DISPOSAL: Store in cool, dry place. Do not reuse empty container. Wrap and put in trash.
