Dallas, Texas 75234

Dear Ms. Parker:

Subject: Reevaluation of Inhalation Toxicity Study and Revised
Product Labeling
EPA Registration No. 2724-361

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act is acceptable subject to the following comments.

1. Replace the statements "Do not use in edible product areas of food processing plants, restaurants or other areas where food is commercially prepared, processed or stored. Do not use in serving areas while food is exposed." with "Do not use this product in food areas of food handling establishments. These include areas where food and food products are held, processed, prepared or served. Non-food areas of food handling establishments include garbage rooms, lavatories, entries and vestibules, offices, locker rooms, machine rooms, boiler rooms, garages, mop closets, and storage areas for food products that have been canned or bottled."

2. Replace the statement "Cover or remove exposed food, dishes, utensils, food handling equipment and plastic items before treatment." with "When using in areas other than commercial food handling establishments where food or food contact surfaces may be exposed, cover or remove exposed food, dishes, utensils, food handling equipment, plastic items, and other food contact surfaces before treatment." and move this statement directly after "Avoid contamination of food and foodstuffs." Finally move all these statements to the Directions for Use section.

A stamped copy of the label is enclosed for your records. Submit five (5) copies of final printed labeling.

NET CONTENTS : 12 oz. (340 g)

GENCOR is a trademark of Sandoz Ltd.

This product contains GENCOR® Insect Growth Regulator, an roaches' natural ability to reproduce, thereby eliminating ingredient (adulticide) that kills existing roaches. This through cracks and crevices to kill them where they hide.

One to two weeks after application, you will begin to see roaches - showing the effects of GENCOR. These roaches cannot reproduce and are prevented from developing into reproductive adults, thus breaking the roach life cycle.

Use Zoecon RF-298 Aerosol to kill adult roaches and to inhibit them from reproducing future generations. Zoecon RF-298 Aerosol provides 120 days of continuous protection.

Zoecon RF-298 Aerosol leaves no bad smell, no sticky mess and does not stain furnishings.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS - CAUTION: Harmful if inhaled. Avoid contact with skin or clothing. Wash thoroughly with soap and water after handling.

Avoid contamination of food and foodstuffs. Do not use in food processing plants, restaurants or other areas where food is prepared, processed or stored. Do not use in serving areas.

STATEMENT OF PRACTICAL TREATMENT: If on skin - Wash with soap and water. Get medical attention. If inhaled - Remove victim to fresh air. Give artificial respiration, preferably mouth-to-mouth. Get medical attention.

PHYSICAL AND CHEMICAL HAZARDS: FLAMMABLE. Contents under pressure. Store near heat or open flame. Do not smoke in use. Do not incinerate container. Exposure to temperatures above 130°F may cause container to rupture.

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Do not use this product in or on electrical equipment (e.g., televisions, telephones, etc.) due to the possibility of shock.

SHAKE WELL. Apply the Zoecon RF-298 Aerosol to the areas where roaches hide and the areas of major roach activity. Apply along baseboards, beneath and behind sinks, stoves, refrigerators, plumbing, behind drawers and the inside of cabinets and closets.

For flea control, Zoecon RF-298 Aerosol should be applied to motion to carpets, rugs, drapes and upholstered furniture and carpeting. A fine mist or spray is all that is necessary.

To kill ants, flies and ticks, apply directly to pests.

Cover or remove exposed food, dishes, utensils, food handling items before treatment.

[One can will treat the average size kitchen and bathroom.]

STORAGE & DISPOSAL: Store in cool area. Securely wrap original container in several layers of newspaper. Do not incinerate or puncture.
