NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA section 3(c)(7)(A) provided that you:

1. Submit/site all data required for registration/reregistration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data.

2. Make the labeling changes listed below before you release the product for shipment:

- a. Add the phrase "EPA Registration No. 2724-399."
- b. Under HAZARDS TO HUMANS AND DOMESTIC ANIMALS, add "Harmful if absorbed through skin."
- c. Under the STATEMENT OF PRACTICAL TREATMENT, If On Skin . . . , add "Get medical attention if irritation persists."

These comments are based on a reevaluation of the submitted data and reported results from several of your previously registered formulations containing these active ingredients. We conclude that the acute data base is adequate and the signal word DANGER is appropriate.

3. Submit the final results of the 1-year storage stability study on this formulation.

4. Submit five (5) copies of your final printed label before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

If these conditions are not met, the registration will be subject to cancellation in accordance with 40 CFR section 156.10. Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

cis-trans-3-(2,2-dichloroethenyl)-2,2-	
dimethylcyclopropanecarboxylate.....	0.25%
(S)-Hydroprene [Ethyl (2E,4E,7S)-3,7,11-trimethyl-	
2,4-dodecadienoate].....	0.30%
INERT INGREDIENTS.....	99.45%
TOTAL.....	100.00%

KEEP OUT OF REACH OF CHILDREN

CAUTION

See Back Panel For Additional Precautionary Statements

NET CONTENTS: 12 oz. (340 g)

GENCOR is a trademark of Sandoz Ltd.

ACCEPTED
with COMMENTS
in EPA Letter Dated:

Under the Federal Insecticide,
Fungicide, and Plant Growth Regulator
Act as amended, for this pesticide
registered under EPA Reg. No. 2724-

This product contains GENCOR[®] Insect Growth Regulator which inhibits roaches' natural ability to reproduce, thereby eliminating an ingredient that kills existing roaches. This formula forces roaches to kill them where they hide.

One to two weeks after application you will begin to show the effects of GENCOR. These roaches cannot reproduce and are prevented from developing into reproductive adults, roach life cycle.

Use Zocon RF-304 Fogger to kill adult roaches and to prevent future generations. Zocon RF-304 Fogger will maintain continuous protection.

Zocon RF-304 Fogger leaves no bad smell, no sticky mess, and does not stain furnishings.

PRECAUTIONARY STATEMENT - HAZARDS TO HUMANS AND DOMESTIC ANIMALS - CAUTION: Avoid contact with eyes, skin or clothing. Wash thoroughly after handling. Harmful if inhaled. Avoid breathing spray or fumes. Do not apply to animals or humans.

Avoid contamination of food and foodstuffs. Do not use in processing plants, restaurants, or other areas where food is processed or stored. Do not use in serving areas while in use.

STATEMENT OF PRACTICAL TREATMENT: If in eyes - Flush with water. If inhaled - No artificial respiration if indicated. If on skin - Remove clothing. Wash affected areas with soap and water. If swallowed - Do not induce vomiting.

PHYSICAL AND CHEMICAL HAZARDS: Contents under pressure. Do not puncture or incinerate. Containers may burst if heated above 130°F. DO NOT use in small, enclosed cabinets, closets or under tables.

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

For best results, treat entire dwelling with fogger in all rooms, bedrooms, bathrooms. Use one fogger for each 750 sq.ft. (6000 ft.³)

1. Close outside doors and windows and turn off fans.
2. Extinguish open flames, except pilot light.
3. Open interior doors and closets of areas to be treated and remove contents.
4. Remove pets. Cover or remove fish tanks and bowls.
5. Cover or remove exposed food, dishes, utensils, and other items such as eye glasses, stereo covers, and other items. Surfaces should be covered during treatment or the fogger should be removed.
6. Leave rugs, drapes, slipcovers, and upholstery. If fogger is directed, this product will not harm them.
7. Place fogger on floor, table or chair with nozzle pointing under the can.
8. Keeping at arm's length, point top of can away from you and lock in position and start fogging action. Seal treated area for 2 hours.
9. After 2 hours, open all doors and windows, turn on fans, and let treated area air for 30 minutes.

STORAGE & DISPOSAL: Store in cool, dry place. Reuse empty container. Wrap container and put in trash.
