### SHAKE WELL BEFORE USING

For maximum effectiveness treat entire carpeted area. Adjust spray nozzle to create a fine spray. Treat carpets, rugs, drapes and all surfaces of upholstered furniture. Avoid excessively wetting furniture and carpeting. This product is designed for use on all fabrics and carpeting, however, some natural fibers (such as wool) and synthetics may be adversely affected by any liquid product - always test a hidden area prior to use. Lighter colored carpets may show some soiling after treatment. To help avoid soiling carpets, allow product to dry completely before walking on treated areas. Pet bedding should be removed and replaced with clean fresh bedding after treatment of pet area. Retreat as necessary. One Bottle will treat a surface equivalent to approximately two 9' x 12' rooms. A fine spray applied uniformly is all that is necessary to kill fleas.

To kill ticks, roaches, silverfish, earwigs, and ants apply directly to pests.

**STORAGE & DISPOSAL:** Store in original container, away from children. Protect from freezing or high temperatures. Do not reuse empty container. Wrap and put in trash.

**ACCEPTED
