REGISTRATION DIVISION (TS 767)
WASHINGTON, DC 20460

EPA REGISTRATION NO.

DATE OF ISSUANCE

TERM OF ISSUANCE

NAME OF PESTICIDE PRODUCT

NOTICE OF PESTICIDE: REGISTRATION
 REREGISTRATION

(Under the Federal Insecticide, Fungicide,
and Rodenticide Act, as amended)

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an endorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

NET CONTENTS :

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS-CAUTION: Harmful if contact with eyes. After using, wash hands with soap and water.

STATEMENT OF PRACTICAL TREATMENT: If swallowed, call Poison Control Center. Drink 1 or 2 glasses of water and induce vomiting from the back of the throat with finger. Do not induce vomiting by mouth to an unconscious person. If in eyes, flush with water and seek medical attention if irritation persists.

PHYSICAL HAZARDS: Flammable. Keep away from heat and open flames.

DIRECTIONS FOR USE - It is a violation of Federal law to use in a manner inconsistent with its labeling.

SHAKE WELL BEFORE USING.

FOR DOGS AND CATS: Cover animals eyes with hand and spray head, ears and chest until damp. With fingertips rub spray into mouth, nose and eyes. Then spray the neck, middle and back with legs last. For best penetration, spray against the wind. On a heavily coated animal, ruffle the coat and spray the hair. Make sure spray thoroughly wets ticks. Repeat as necessary.

FOR KITTENS AND PUPPIES: Treat same as dogs and cats except and puppies, wrap the animal in a towel which has been sprayed on eyes, nose and mouth exposed. Keep the animal wrapped until fleas may then be removed from the coat by picking if necessary.

Do not treat newborn kittens and puppies.

FOR HORSES AND PONIES: Remove excess dirt and dust and spray directly to horse's coat giving particular attention to flanks, neck and topline. To treat face, dampen a cloth and rub face and head, being careful to avoid eyes. Repeat as necessary on horses destined for food.

STORAGE & DISPOSAL: Do not store near children. Do not reuse empty container. Wash thoroughly before reuse.

Seller makes no warranty, express or implied, concerning the use of this material when such use and handling are contrary to the label. Buyer assumes all liability.
