#### PRECAUTIONARY STATEMENTS

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS - CAUTION:** Do not get in mouth. Harmful if swallowed. Wash hands thoroughly with soap and water before and after handling tabs. If swallowed, contact your physician.

**DIRECTIONS FOR USE:** It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Detach a Zoecon RF-348 APTISTAN® Queen Tab at the perforation and place in the queen shipping cage so that it will not block the food source. Bees must be exposed to the APTISTAN Queen Tab for 3 days. Bees may be certified apparently free of Varroa mite as long as they are not subjected to reinfestation. Do not use in beehives.

**STORAGE & DISPOSAL:** Keep tabs in original, unopened package until ready to use. Do not store in direct sunlight. Do not store unused tabs in anything but original package. Do not store unused tabs near pesticides or other chemical substances that could contaminate the tabs and result in bee toxicity. Do not reuse tabs. Do not contaminate water, food or feed by storage or disposal. Wastes resulting from use of this product may be disposed of on site or at an approved waste disposal facility.
