INSTRUCTIONS FOR FORMULATION

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

This product is intended for use in the formulation of other (S)-Hydroprene products. Products formulated with Technical (S)-Hydroprene will require registration with the U.S. Environmental Protection Agency.

STORAGE & DISPOSAL: Protect from heat. Do not contaminate water, food or feed storage or disposal. Permits may be required for discharges containing this pesticide into lakes, ponds, streams or public waters. For guidance, contact your regional office of the U.S. Environmental Protection Agency. Wastes resulting from this product may be disposed of on site or at an approved waste disposal facility. Puncture container and dispose of in a sanitary landfill or by incineration or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

WARRANTY AND CONDITIONS OF SALE

Sandoz Agro, Inc. warrants that the chemical composition of this product conforms to the chemical description on the label and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use. Sandoz Agro, Inc. makes no other warranty, express or implied, concerning the use of this product other than as indicated on the label. Buyer assumes all risks of use, storage or handling of this material not in strict accordance with directions given on the label.
