REC'D

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

BEST AVAILABLE COPY

This product is conditionally registered in accordance with FIFRA section 3(c)(7)(C) provided that you:

1. Submit/cite all data or other material required for registration/reregistration of your product under FIFRA section 4 when the Agency requires all registrants of similar products to submit such data.

2. Make the labeling change listed below before you release the product for shipment:

- Add the phrase "EPA Registration No. 2724-447."

3. Zoecon Corporation must submit one year storage stability data in support of this product and the analytical methods for this new formulation.

ATTACHMENT IS APPLICABLE

SIGNATURE OF APPROVING OFFICIAL

See P. 2

DATE

8/19/92

4. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Zoecon RF-274 COMBAT Fogger kills (or controls) cockroaches and preadult fleas. Even kills fleas before they grow up to bite you. In the Zoecon RF-274 COMBAT Fogger, continues to kill (or control) fleas (7 months) by preventing their development into the adult stage. The COMBAT Fogger reaches fleas hidden in carpets, rugs, drapes, cracks. Protects your home from reinfestation and flea bites. One treatment with Zoecon RF-274 COMBAT Fogger lasts for 210 days.

Zoecon RF-274 COMBAT Fogger leaves no bad smell or sticky mess. It does not stain furnishings.

To protect your pet against fleas outdoors, use a (brand name) flea collar.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS - CAUTION: May irritate eyes, skin or clothing. Harmful if swallowed, inhaled or absorbed. Avoid breathing mist. Do not apply to animals or humans.

Avoid contamination of food and foodstuffs. Do not use in food processing plants, restaurants, or other areas where food is prepared or stored. Do not use in serving areas while food is exposed.

STATEMENT OF PRACTICAL TREATMENT: If in eyes - Flush with water. If inhaled - Remove to fresh air. If on skin - Remove clothing. Wash affected areas with soap and water.

✓ PHYSICAL AND CHEMICAL HAZARDS: Contents under pressure. Do not open flame. Do not puncture or incinerate container. Explosion may cause bursting.

DIRECTIONS FOR USE: It is a violation of Federal law to use this product inconsistent with its labeling.

For most effective results, entire dwelling should be treated (12,000 cubic feet (or 1,500 square feet)). Do not use more than one treatment per year.

1. Close outside doors and windows and turn off fans and exhaust fans, cupboards and closets of areas to be treated.
2. Extinguish open flames including pilot lights.
3. Remove pets, but be sure to leave pet bedding as this and must be treated to get best results. No need to remove fish tanks and bowls. Cover or remove food handling equipment and plastic items such as eye boxes. Leave rugs, drapes, slip covers, upholstered furniture. This product will not harm them, just the fleas.
4. Place fogger on a raised area such as a table or chair directly under the can.
5. Keeping at arm's length, point top of can away from you. Lock in position and start fogging action. Set in position for 2 hours.
6. After 2 hours, open all doors and windows, turn on all fans and let treated area air for 30 minutes.
7. Relight pilot lights.
8. All food processing surfaces should be covered during fogging.

✓ STORAGE & DISPOSAL: Store in cool area away from direct sunlight. Wrap and put in trash.
