Pyrethrins .....	1.9%
Piperonyl Butoxide technical <sup>1</sup> .....	4.8%
N-octyl bicycloheptene t[carboximide].....	5.8%
<b>INERT INGREDIENTS</b> .....	<b>84.1%</b>

<sup>1</sup>Equivalent to 3.8% (Butylcarbityl)(6-propylpiperonyl) ether and 1.0% related compounds.

Keep Out Of Reach Of Children

### CAUTION

See Back Panel for Additional Precautionary Statements

### NET CONTENTS:

\* [Refund if not satisfied.]

The 9007 Concentrate contains natural pyrethrins which kill adult fleas and ticks on your pet. Yet 9007 Concentrate takes flea control a step further by utilizing PRECOR, an insect growth regulator. PRECOR IGR breaks the flea's life cycle by killing flea eggs, a major source of re-infestation, for 75 days. Use 9007 Concentrate in conjunction with other [Brand] on-animal and premise products for a complete program of flea and tick control.

### PRECAUTIONARY STATEMENTS

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS - CAUTION:** Harmful if absorbed through the skin. Avoid contact with skin, eyes, or clothing. Wash thoroughly after handling. Repeated use of this product may cause skin sensitization. Do not treat newborn puppies or kittens.

### STATEMENT OF PRACTICAL TREATMENT

**If on skin** - Remove contaminated clothing and wash affected areas with soap and water. Get medical attention if irritation persists.

**If in eyes** - Flush eyes with plenty of water. Get medical attention if irritation persists.

**DIRECTIONS FOR USE** - It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Mix 2 ounces (4 Tbsp) of concentrate per 1 gallon of water, mixing thoroughly. Dip animal by total immersion or pour or sponge dip onto the animal, working it down to the skin until the hair coat is thoroughly saturated. Make sure the entire animal is treated including the head, face, ears, paws, and tail. Allow the dip to dry on the animal. Do not rinse off the dip solution. Retreat animal weekly if necessary for adult flea control. Diluted dip may be used for up to two weeks following mixing.

**STORAGE AND DISPOSAL:** Store in original container, away from children. Protect from freezing or high temperatures. Do not reuse empty container. Wrap and put in trash.
